Hi Lisa,

Unfortunately I will not be able to direct the musical this year. Tyce's basketball schedule is just too demanding this year. With that being so, the one act play won't be an option either. Jen and I really tried to make a rehearsal schedule work that I would be able to continue in my roll as director, but with basketball games sometimes three days a week, it just isn't in the cards. I am absolutely heart broken but I know a great team will be established and another amazing show will bloom!
