

**PIONEER ELEMENTARY
MONTHLY REPORT**

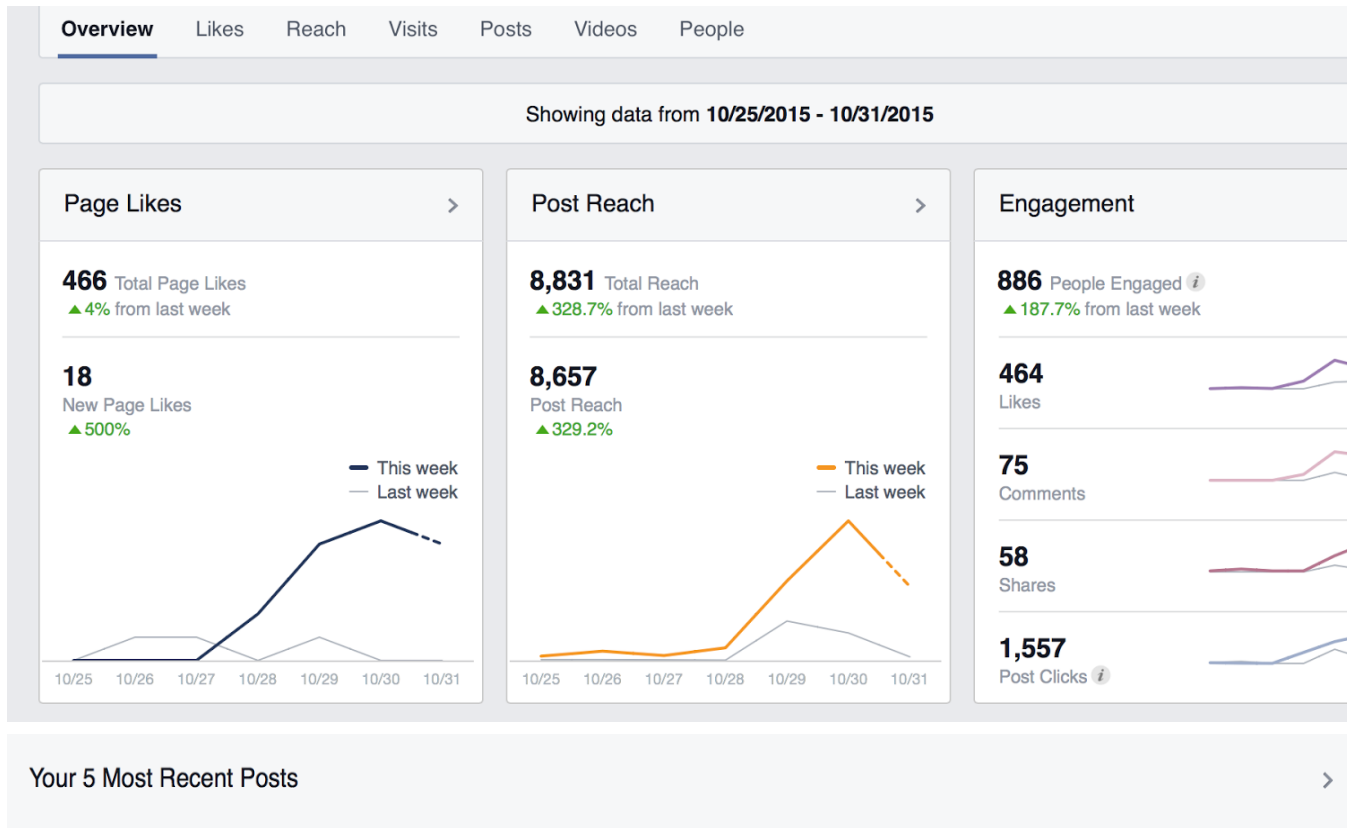

(November)

ENROLLMENT/ATTENDANCE:

CAMPUS/PROGRAM	PPCD	PRE-K	K	TOTAL
PIONEER	23	89	153	265
DAEP	0	0	0	0
ATTENDANCE %	X	93.8%	95.3%	95%

INNOVATIONS:

- 1. Introducing Speech RTI to Pre-K**
- 2. Introducing Math RTI to Kindergarten**
- 3. We are working to build our parent / community involvement through a digital presence. Below are the statistics from the Pioneer Facebook page, what it shows is the impact of digital “invitations” posted to our page and the amount of traffic it generates. What this means to us is that for over 24 hours we hosted 50 parent / community members per hour EVERY HOUR joining us in campus events through video participation! After a 24 hour period the traffic continued but at a slower rate! An average picture or post to the Pioneer Facebook page receives 200 - 300 “likes” a video receives 1.2K - 1.4K “likes”.**

CAMPUS NEWS:

- TPRI and CPALLS Data continues to show significant growth patterns for improvement of all students and provide our staff specific data to create student specific interventions.

- a. Specific interventions have been built into ELA and Math as a flexible learning time to assist all learners.

STUDENT HONORS:

1. Each week we are honoring a student from each class as a Pioneer H.E.R.O. that has exemplified the character trait we have taught through PBIS / Character Education.
2. We are rewarding good attendance with our campus “spinning wheel” where student have the opportunity to be recognized for school attendance.

FIELD TRIPS:

1. PC The Robot visited the campus to promote Halloween safety
2. Kindergarten will be performing patriotic songs at the GISD Veteran’s Day Tribute
3. Pre-K will be visiting Graham Oaks Living Center to perform Thanksgiving songs.

PROFESSIONAL DEVELOPMENT:

- Selected staff will visit Little Elm ISD and Prestwick STEM Academy to view the kindergarten section of their school and the 21st century learning environment that has been created.
- The Math Intervention team has created a digital sample to provide training to all of the kindergarten staff

TEACHER/STAFF SPOTLIGHT:

- The Pioneer staff that manages all the students needing speech services, Melinda Cox and Kelly Brockway, are working to build a speech intervention program that will be implemented through all the pre-k classrooms. The program will also include a Tier II and Tier III level that will target specific concerns with small groups of students. This will allow our specialists to work with our youngest demographic and try to correct speech inconsistencies before these become a special education referral.

UPCOMING EVENTS:

- November 11th kindergarten will participate in the GISD tribute to our local veterans.

- The week of November 2nd-6th will be the annual Pioneer Book Fair
- Thursday, November 5th will be our PTO Fundraiser: Pioneer Hot Dog Dinner
- Friday, November 6th - Grandparents Day, Grandparents invited to participate in "vintage" PE games during their grandchild's PE time.
- December 1st - Site visit to Little Elm ISD STEM Academy to share their 21st century learning environment with teachers and Gary Browning.
- Pre-K Thanksgiving program (singing)
