II. Alcohol and Drugs

The New Fairfield Board of Education recognizes the harmful effect that substance abuse can have on a student and the student's peer group. For this reason, a student on school grounds or at a school-sponsored activity at any time or at any location who is under the influence of alcohol, drugs or mood-altering substances or possesses, uses, manufactures, dispenses, sells or aids in the procurement of alcohol, narcotics, restricted drugs, mood-altering substances, or any substance purported to be a restricted substance or over-the-counter drug shall be subjected to discipline pursuant to the Board of Education policies and regulations, as described in Expulsion and Suspension Policy 5114.

Possessing, using, or transmitting any substance which is represented to be or looks like a narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, stimulant, depressant, or intoxicant of any kind, including such substances that contain chemicals which produce the same effect of illegal substances including but not limited to Spice and K2 and bath salts are addressed by this policy.

The New Fairfield School System will, in a coordinated effort, attempt to respond openly and effectively to the uses and abuses of drugs, alcohol and mood-altering substances by members of the student population. This effort, through the curriculum, community support and resource services, such as those provided by a licensed drug and alcohol facility, and strong, consistent administrative rehabilitative and disciplinary procedures, will work to educate, prevent and intervene in the use and abuse of all drug, alcohol, and mood altering substances by its student population.

Disciplinary action taken by District officials against a student for the use, sale, or possession of marijuana (cannabis) on school premises or at any District/school sponsored activity, on or after January 1, 2022, shall not result in any discipline, punishment, or sanction greater than that which a student would face for the use, sale, or possession of alcohol. (C.G.S. 10-221(d), as amended by P.A. 21-1, June Special Session, Section 19)

III. Tobacco (continued)

In the face of overwhelming evidence about smoking as a health hazard, and in keeping with the teachings in our school curriculum, and as a further deterrent and prevention against smoking by young persons, the New Fairfield Board of Education institutes the following policy:

1. Smoking and the use of tobacco products is prohibited in school buildings, on school property, at school activities, and on school buses at all times. All schools are “Drug-Free School Zones.”
2. Visible display and/or possession of tobacco products by students is prohibited on school property.
3. The New Fairfield Board of Education authorizes the principal and/or designee of New Fairfield High School to notify and provide statements or other assistance to the New Fairfield Police Department with respect to violations by students of the CT General Statutes prohibiting smoking in public buildings.

Any student (over the age of sixteen) found to be in violation of this policy will be subject to arrest by the New Fairfield Police Department who may issue smoking policy violators a Superior Court enforced ticket in compliance with the Connecticut General Statute.

IV. School Guidelines

As an extension of this policy, the New Fairfield Board of Education directs the Superintendent to develop guidelines to be used by all school district personnel in responding to drug, mood-altering substance, and alcohol-related situations.

As an integral part of the New Fairfield Public Schools, Tobacco, Alcohol and Other Drug guidelines represent one component in a district-wide effort to respond effectively to tobacco, drug, mood-altering substance and alcohol-related situations that may occur at school or at school-sponsored activities. These guidelines are also intended to provide a consistent disciplinary means to respond to tobacco, alcohol and other drug-related incidents. The New Fairfield Public Schools will provide a safe and healthy environment for students with due consideration for their legal rights and responsibilities. The Board reserves the right to use any extraordinary measures deemed necessary to control substance abuse even if the same is not provided for specifically in any rule or regulation enumerated herein.

Students will receive instruction emphasizing the effect of alcohol, nicotine, tobacco, and drugs on health, character, and personality development wherever appropriate in the health education program and such other contexts which touch on the subject.

VI. Cooperation with Community and Parents

Any effort put forth by the New Fairfield Public Schools to address alcohol, drugs and tobacco usage requires support from all parents and cooperation from the community in order to be effective.

VII. Medical Marijuana

Although possession and use of marijuana for certain medical conditions, consistent with Connecticut's P.A. 12-55, "An Act Concerning the Palliative Use of Marijuana," as amended by P.A. 16-23, is no longer a crime in Connecticut, the possession and use of marijuana remains illegal under federal law. Consistent with federal law, including the Controlled Substances Act and the Drug-Free Schools and Communities Act, the use and or possession of marijuana continues to be prohibited while a student is on a school bus, at school, on school grounds or at a school-sponsored activity. The District will continue to enforce its policies regarding controlled substances and any students who violate District policy prohibiting the use, sale or possession of illegal drugs in District facilities and school property will be subject to disciplinary and criminal action.

VIII. Use of CBD Products

Students are prohibited from possessing, using, selling, delivering, or manufacturing any substance containing cannabidiol (CBD) or tetrahydrocannabinol (THC), regardless of whether it constitutes a controlled substance under federal law.

Students are prohibited from being under the influence of any controlled drugs, narcotic, substance or any mind-altering substance or intoxicant, illegal or legal, specifically any product with cannabidiol (CBD), whether hemp or cannabis, and regardless of the amount of THC (tetrahydrocannabinol) in the product or the extent to which it is legal or illegal under state law.
