Mr. Eric Kellogg, Superintendent  
Harvey Public Schools District 152  
16001 Lincoln Avenue  
Harvey, IL 60426

Dear Mr. Kellogg:

Under the Freedom of Information Act (5 ILCS 140/1 *et seq.*), I am requesting:

1. A copy of posting for the meeting held on Saturday, April 20, 2013 whereby the appointment of the superintendent, by formal action in an open segment of the meeting, took place.
2. In addition to the posting, I am also requesting the computer history of the aforementioned document which can be retrieved from the computer used to develop the document. It is automatically recorded under "properties."
3. Given that I physically observed that there was no hard copy posting for the meeting held on Thursday, May 2, 2013 at 5:30pm. I am requesting a copy of this posting and document history as well. My presence at the District Office the evening before the meeting (Wednesday, May 1, 2013 at approximately 5:16pm) can be verified by the night custodian as well as Aurelia Thicklin and the announcement Board supporting my claim was photographed.

Should my request be denied or delayed beyond the statutory time line, the likelihood is great that a report to the appropriate authorities charging that the School District 152 Board of Education is in violation of the Open Meetings Act will be made.

Sincerely,

  
Dr. Doris Hope-Jackson
