SRP STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS:
Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be hearing, practicing, and drilling the protocol.

COMMON LANGUAGE:
The Standard Response Protocol (SRP) is based on an all-hazards approach to preparedness for multiple scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language and allows for flexibility in protocol. The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive". Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: HOLD, SECURE, LOCKDOWN, EVACUATE, and SHELTER.

LOCKDOWN
"Lock, Light, Lock & Hide"
Students are trained to:
• Move away from sight
• Maintain silence
• Do not open the door
• Lock the classroom door
• Turn out the lights
• Move away from sight
• Maintain silence
• Do not open the door
• Prepare to reach or defend
Follow instructions

EVACUATE
"Go to Location"
Students are trained to:
• Leave staff behind if required to
• If possible, bring their phone
• Follow instructions
Adults and staff are trained to:
• Bring red shirt and ID tag (unless instructed not to bring anything with them, dependent on reason for evacuation)
• Lead students to Evacuation location
• Account for students and adults
• Report injuries or problems using Red Card/Green Card method.

HOLD
"In Your Classroom or Area"
Students are trained to:
• Close the hallway and remain in their area or room until the "All Clear" is announced.
Adults and staff are trained to:
• Do business as usual
• Close and lock the door
• Account for students and adults
• Do business as usual

SECURE
"One Inside, Lock Outside Doors"
Students are trained to:
• Return to inside of building
• Do business as usual
Adults and staff are trained to:
• Bring everyone indoors
• Lock the outside doors
• Increase situational awareness
• Account for students and adults
• Do business as usual

SHELTER
"Take Hazard and Safety Strategy"
Hazards might include:
• Tornado
• Earthquake
• Hurricane
Safety Strategies might include:
• Evacuate to shelter area
• Find the room
• Drop, cover and hold
• Get to high ground
Students are trained in:
• Appropriate Hazard and Safety Strategies
Adults and staff are trained in:
• Appropriate Hazard and Safety Strategies
• Accounting for students and adults
• Report injuries or problems using Red Card/Green Card method.

keep par
parents/guardians to communicate.

Last year, we used ClassTag as our teacher-to-parent communication tool. However, after the feedback we received, it was clear parents wanted a change. We will now use ParentSquare. It offers a streamlined and user-friendly experience with features that enhance communication and engagement.

ParentSquare automatically generates an account for each parent, using their preferred email address and phone number. The accounts are generated regardless of when a parent enrolls their child. This platform is strictly for teachers and parents. The district and campus principals will continue using the current mass notification system to share information.

***NOTE for Current Families:** Accounts have been preloaded with parent and student information from the 2023 - 24 school year. As we transition to the 2024 - 25 school year, new information (updated grade levels, contact information, and student profiles) will automatically be uploaded to your account, ensuring a seamless and hassle-free process.

Below is more information about ParentSquare and links to videos/training materials.

Khan Academy

A great resource for students is the Khan academy. The organization has resources for most students grades and specifically high school. Most high school subjects are supported.

In a [recent study](#), students were over twice as likely to meet grade-level standards with Khan Academy. Districts across the country are partnering with us to ensure all their students succeed.

The link to Khan Academy is located at www.khanacademy.org

Attendance Matters!

Excessive absences place your child at risk of losing credit for the semester or the year. State law requires at least 90% attendance which allows for only 9 absences each semester of the school year to gain credit or be promoted. Attendance has a direct impact on a student's ability to learn.

It's official: The Public Health Emergency (PHE) is ending March 31, 2023.
As a result of the end of the PHE, your Medicaid benefits may change.

Medicaid members must renew their benefits in order to keep getting benefits. You will get a renewal packet from the Texas Health and Human Services Commission (HHSC). Make sure to:

- Sign up for an account at YourTexasBenefits.com or download the Your Texas Benefits mobile app.
- Check that your address and contact information are correct with HHSC and Dell Children's Health Plan.
- Return renewal packets or requests for information as soon as possible.

Dell Children's Health Plan is here to help as the PHE ends. We can help you renew your Medicaid benefits, whether you are a Dell Children's Health Plan member or not.

We will be available in person to help with benefits renewal at Bruker Pointe II, 10801 North Mopac Expressway, Austin, TX 78758, on these dates:

- Starting March 4, every first Saturday from 9 a.m. to 12 p.m.
- Starting March 6, every Monday, from 11 a.m. to 2 p.m.
- Starting March 21, every third Tuesday from 4 p.m. to 7 p.m.

Members can request help with getting a ride.
2 hour visitor parking is available at the front of the building.

For information or help with benefits renewal:
