

Information Item

Date: April 14, 2025

Division: Board of Trustees

Subject: Announcement of Board Training Hours

Background Information:

- Since 1986, SBOE rules have required the board president to make a public announcement each year of the names of those board members who have completed the required continuing education, who have exceeded the required hours, and who are deficient. The minutes must reflect this information.
- This announcement can be made at the last regular board meeting before the May election. The announcement shall state that completing the annual required continuing education is a basic obligation and expectation of any sitting board member under the State Board of Education rule.
- The board president is also to annually distribute the Framework for Governance Leadership. In order to document that the board president distributed the Framework for Governance Leadership, Administration recommends it be announced by the President at the April meeting that the Framework has been distributed.

Administrative Consideration:

- Recommend that the Board President announce the names of those board members who have completed the required continuing education requirements, who have exceeded the required hours, and who are deficient. Also, recommend that the President announce that a copy of the Framework for Governance Leadership has been distributed to board members.
