 - c. \$343,500 plus \$35,500 for wall pads and floor mats
 - d. Total - \$379,000
2. Half of the fitness center to permanent wrestling room
 - a. \$88,521 plus \$47,000 for state-approved plans, inspection, and approval.
 - b. Total - \$135.521 + pads
 - c. Positives – A lot of space and dedicated room
 - d. Negatives – Take the space away from others.
 - i. Speed and Agility before weight room all summer 50+ boys and girls start and meet in that area
 - ii. Science Project-Engineering Design Unit
 - iii. Inside Recess we bring 5th graders up there on cold days.
 - iv. Booster Practice for 3-8th grade girls and boys.
 - v. 4th vs 5th-grade Dodgeball Tournament
 - vi. 5th Grade Brain Breaks
 - vii. Track High Jump-all season
 - viii. Golf-all season and preseason
 - ix. Other classrooms use it throughout the year for different projects
 - x. Booster Volleyball and basketball throughout the entire year
 - xi. Inclement weather outside teams like Football need a space
 - xii. A lot of community members use it throughout the year with their paid membership.
 - xiii. Community Ed events -Yoga, dance
 - xiv. Fitness class uses it every day
3. Bus Garage
 - a. Bathroom and changing room - Two quotes are attached
 - i. Market and Johnson \$321,537 plus \$47,000 for state-approved plans, inspection and approval. Plus pads.
 - ii. J&A \$100,000 plus \$47,000 for state-approved plans, inspection and approval. This bid does not include electric or HVAC. Plus Pads
4. Guidance Counselor's room
 - a. Guidance counselor could move to the IMC.
 - b. Positives – Could use both the wrestling room and this room, dedicated space
 - i. Will need pads.

- c. Negatives – Smaller space
- 5. Use mats in the Fitness Center
 - a. Positives – Practice after school
 - b. Negatives – Have to set up and take off mats.
 - c. We could get a second curtain to run from the lobby to the workout equipment for \$9,378.
- 6. Use mats in Commons
 - a. Positives – Have practice after school
 - b. Negatives – Poles in the way, a lot of traffic, not private
- 7. Use mats in the Elementary gym
 - a. Positives – A lot of space
 - b. Negatives – Some late practices, Everyone would have at least one late practice a week, and have to set up and take off mats.
- 8. St Anns Church Classroom
 - a. Positives – A lot of space but narrow
 - b. Negatives – May have a funeral dinner going on at the same time as practice.
 - c. Note – They will not let us use the gym because they have people using it during the day and funeral dinners.
- 9. Clayton Classroom
 - a. Positives – Dedicated room.
 - b. Negatives – This is a one-year solution. The coop will be in the last year during the 25-26 school year.
- 10. Build a Second Floor over the Fitness Equipment
 - a. Positives – Own space, close to other areas needed.
 - i. Will need pads
 - b. Negatives – Will have to do plans for the state with inspection. \$47,000
 - c. This is a new idea, so I do not have an estimate.
