Re: North Creek Board Report
Date: May 18th, 2026

Dear Chelsea Board of Education,

As we move into the final stretch of the school year, April and May have been filled with learning, collaboration, and celebration at North Creek Elementary.

During April, our MTSS team continued its work identifying and supporting students' academic, behavioral, and social-emotional needs through our system of tiered supports. The team has also been reviewing and refining processes to strengthen our overall MTSS framework for the 2026–2027 school year. In addition, staff participated in ongoing professional learning connected to the implementation of our new Collaborative Classroom ELA curriculum.

We are also incredibly proud of our Young 5s through 2nd grade students whose artwork was featured at the annual district art show. A special thank you to Mrs. Williams for inspiring creativity and providing meaningful artistic experiences for our students each day.

As the school year winds down, we are looking forward to many of our favorite end-of-year traditions, including the PTO Ice Cream Social, grade-level celebrations, staff recognition events, Field Day, Moving Up Day, and our beloved 2nd Grade Clap-Out.

Thank you for your continued support of North Creek Elementary. We are grateful for the strong partnership between our school, families, staff, and community as we continue creating a place where students are connected, supported, and excited to learn each day.

Thank you,
Casey Wescott
Principal, North Creek Elementary
