## End of the year and everyone is here!

As we approach the end of the school year we will be celebrating our students' regular attendance in a few ways. Something we have done off and on this year is our classroom perfect attendance challenge. Teachers report when they have perfect attendance for the day and we announce them at the end of the day. We keep track of the total number of days a classroom reports perfect attendance during the month and the class with the most days wins a pizza party. We will also be taking a trip to Harris Beach in June to celebrate students with good attendance for the third trimester.

Good attendance is considered to be missing no more than two school days. For attendance rewards, a tardy or early check out counts as ½ day absence. We have so many fun and exciting events coming up to end the year; I hope that everyone is here to enjoy them.

Attention 5<sup>th</sup> grade students!

On Monday May 3<sup>rd</sup>, Lorna Byrne Middle School is inviting all 5<sup>th</sup> graders to a Welcome to next years 6<sup>th</sup> grade class BBQ. The event starts at 5:30 and will include food, information session and prizes. This will be an incredible opportunity for you to get a feel for the middle school, meet some staff and answer some of the questions you may have.

**Illinois Valley branch of Josephine Community Library**

Where can IV kids go for summer reading? Now that the Illinois Valley branch of Josephine Community Libraries (JCLI) has reopened, children can easily borrow books year round – and not just on school days. Whether it is books from the Accelerated Reading program, or just any kind of fun reading or other media, JCLI is here to provide resources.

What if the material your child wants is not on the shelf at our branch? No problem. Children (and adults too, of course) can go to the online library catalog, at [josephinelibrary.org](http://josephinelibrary.org), and request materials from any of the other branches.

No computer at home? The Illinois Valley branch has seven computers available for your use. Library hours are: Wednesdays and Fridays, 11 am to 3 pm; Saturdays, 12 noon to 4 pm. Telephone: 592-4778. See you there!
