MEETING DATE:

AGENDA ITEM:

Discuss and consider approval for Galveston ISD Teacher Incentive Allotment Spending Plan

Galveston ISD is renewing its application with the Teacher Incentive Allotment Program. To date, teachers in Galveston ISD designated as Recognized, Exemplary and Master under TIA have earned \$2,925,700. Districts are required to spend at least 90% of their allotment funds on teacher compensation on the campus where the designated teachers work. Districts may use up to 10% of costs associated with implementing a local designation system or supporting teachers in earning a designation. The Galveston ISD Stakeholder Group comprised of teachers, campus administrators and Support Center Representatives recommends that 90% of the funds go directly to teachers who earn the designation.

RECOMMENDATION:

I move that the Board of Trustees approve the Galveston ISD Stakeholder recommendation to allocate 90% of the Teacher Incentive Allotment to each teacher earning a designation.
