John G. Miller

"Personal Accountability and The Question Behind the Question"

In this last year, more than ever, board members have seen the all-too common traps of complaining, victim thinking, entitlement, finger-pointing, and blame from our communities and others in school districts. How do we practice personal accountability while bringing our communities and school districts back together for the common purpose of student achievement of all students?

Are you asking yourself:

- How can I provide leadership in this changing world?
- What can I do to develop myself?
- What can I do to understand other people's challenges and frustration?
- How can I become part of the solution?

Explore a practical method for putting personal accountability into daily action for yourself and those around you. An invaluable resource for anyone seeking to learn, grow, and change in their leadership role and everyday life.

Biography

John Miller was born in 1958 in Ithaca, N.Y. At 18, John asked 16-year-old Karen on a date and they married in June 1980. They finally settled in Minneapolis. In early 1986, John began a new career providing leadership and sales management training to Twin Cities' corporations from all industries.

This is how and when John created *QBQ! The Question Behind the Question*. Throughout a decade of selling and facilitating training for executives and managers, he discovered the incredible need for personal accountability. In 1995, he chose to become a keynote speaker, titling his sessions "Personal Accountability and the QBQ!"—even though some people told him that "personal accountability isn't a topic." John's speaking career took off and he began writing books, gaining the new title of "author."

Health & Safety

MSBA will monitor the impact of the COVID-19 pandemic on in-person events. We are working closely with our hotels and the Minneapolis Convention Center to help mitigate and prevent the spread of COVID-19 to provide a safe conference experience. We are also following CDC (Centers for Disease Control) guidance, as well as local, state, and federal guidelines.

No matter our safety protocols, there is an inherent risk of exposure to COVID-19 with any public gathering. The best way to have a safe event is for everyone to be diligent about their own personal safety both inside and outside of the conference. With many school districts having implemented masking requirements, we anticipate that our conference safety guidelines will align with those policies. As our guidelines are finalized, we will continue to inform attendees through emails as well as on the MSBA website.
