

CCC Board of Education – Topic Summary	
Topic:	Electrician Apprenticeship Technologies (IE)
Date:	April 19, 2024
Presenter:	Jason Kovac, Dean of Institutional Effectiveness and Planning
Division/Department:	Institutional Effectiveness and Planning
RECOMMENDATION:	Approve the Reactivation of the Electrician Apprenticeship Technologies (IE) Associate of Applied Science (AAS) Degree

REASON FOR BOARD CONSIDERATION:

Board review is required for substantive changes that are submitted to the Northwest Commission on Colleges and Universities for approval.

BACKGROUND:

The Electrician Apprenticeship Technologies (IE) AAS was inactivated in November 2022 because our partner with this apprenticeship had plans to work with another institution. This partner has decided that instead they want to relaunch the program with CCC.

BUDGET IMPACT/SOURCE OF FUNDS:

Current student services can support the Electrician Apprenticeship Technologies (IE) AAS.

ATTACHMENTS:

New Program Supporting Document Electrician Apprenticeship Technologies AAS, Curriculum Committee Approved Minutes 2024-02-02

FUTURE REPORT:

No future report is planned. However, the Board will be notified of any major changes to this program, such as a program suspension.
