Presenter(s): Karsten Anderson, Superintendent

#### Nature of Action Requested by Board

Board action   
Board information or scheduled report

#### Background Information

The Calendar Committee recommends the attached school calendar for the 2021-22 school year. Highlights include the following:

- Classes would begin after Labor Day.
- A weeklong spring break begins on March 28<sup>th</sup>. This break is between winter and spring sports seasons. In previous years, spring break was the first full week of March.
- Staff development days are scheduled each month between January and April.
- Graduation day is scheduled for Friday, June 3<sup>rd</sup>.
- The high school administrative team will be reviewing the last day of school for seniors. Some schools release seniors from the last week of school if they have met attendance, grade, and/or credit requirements. A proposal from the high school may be presented to the school board this spring.

#### Recommendation

I move to approve the school calendar for the 2021-22 school year as presented.
