Comprehensive Needs Assessment

Needs Assessment Overview

Travis is a small campus located in south Odessa almost to the interstate. The campus was built in 1949, and became magnet in the 1980s in an effort to draw students from the North and East part of the city. Approximately one out of four students are magnet, and stay after school to receive extended instruction in Math and Science.

As a school-wide Title I school, students do benefit from monies used for targeted resources such as AR reading, Mentoring Mind math, reading and science.

The funds were also used for professional development for all teaching staff to build and strengthen our culture and community. Teachers revisited their why of teaching, walked through and wrote their individualized Vision statement. Teachers were assisted in revisiting and reigniting their passion and why for teaching. Title 1 funds will also be used for parent engagement evenings and afternoons with parents. All communication is provided in English and Spanish as much as possible for our parents.

The campus has committed to AVID and CHAMPS in an effort to increase relevant and meaningful instruction and to set clear expectations and procedures for our students and staff.

In August of 2019, 100% of staff was placed with certified or substitute teachers so that all students had a teacher day 1 of school.

Throughout the summer of 2019, the school received much cleaning and a facelift. Painting occurred, clean out of many rooms was done, areas were freshened up with new furniture and rugs, and much decorating and an inviting atmosphere was created for staff, parents and families in order to have a welcoming and clean campus.

The campus suffered much change in 2018-2019. There were 4 campus leader changes in one year. The campus experienced its first year as 3-5 campus and the teachers found it difficult to find stability.

The front office has created a welcoming and inviting area for the public. Each month a short climate survey will be available to parents in QR format.

The theme for the year is "Spread Our Wings & Fly". Staff pictures were taken with staff in new tshirts, and the new theme is evident throughout the building.

Travis will learn more about the 7Habits of Happy Kids for staff, students and family and community.

School Culture and Climate Strengths

A small number of key teachers are vested in Travis' success and work diligently toward improving moral and increasing academics.

The teachers bonded quickly with new principals and began to collaborate about key issues to turn the campus around. The campus leadership team met and established key goals to implement in early August: staff unity, increased communication, effect master schedule and campus-wide routines and procedures.

Problem Statements Identifying School Culture and Climate Needs

Problem Statement 1: Attendance rates for 2018-2019 were 94.7%, which is below the district and state average. **Root Cause:** Expectations, processes and procedures were inconsistent throughout the campus.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

Travis was given 5 monolingual teachers and 2 bilingual teachers in grades 3rd - 5th. Due to the low number of students Travis only had 2 monolingual and 1 bilingual teachers in 2017-2018. Zavala had limited teachers in grades 3rd -5th. Some teachers resigned, transferred or moved out of district. When the campuses were reconfigured, there was a need for highly qualified teachers.

ECISD utilizes a variety of recruiting strategies to grow staff; including, alternative certification programs, district teacher fairs, job fairs. Current job postings are updated daily on the ECISD website.

In 2018, the campus started school with 7 vacancies and zero subs. A few subs helped daily and moved were the need was. Because of 4 leadership changes, no stable recruitment system emerged. The campus did not receive curriculum support until the 7th week of school when the district ICs were returned to campus. These occurrences proved fatal to establishing consistency for teachers and students, and the year never recovered. 2019 Spring scores fell 10-20 points on STAAR.

Travis will begin the year with all positions filled with either certified teacher or long-term substitute teachers.

Staff Quality, Recruitment, and Retention Strengths

PD is offered to all teachers and is ongoing throughout the school year. These include best practice methodologies such as professional development to model instruction on campus targeting reading and math, data systems and depth and complexity of data, classroom management, professional learning communities, and closing the achievement gap for underperforming populations.

Problem Statements Identifying Staff Quality, Recruitment, and Retention Needs

Problem Statement 1: The lack of highly qualified teachers, 67% of the staff have less than 3 years of teaching experience. **Root Cause:** The reconfiguration, boundary changes, and the shortage of teachers through out education.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

Tutoring, dyslexia services, balanced literacy, guided math, ImagineMath, Istation, Brainchild and reading services to close the achievement gap.

Other resources used are in the form of textbooks, supplemental materials and classroom technology use contribute to student performance by providing tools to utilize when educating students.

Personnel involved are:

Teachers, Instructional Specialists, dyslexia teachers, At Risk tutors, special education personnel, bilingual teachers, bilingual specialist

COGAT, Naglieri, STAAR, SBAs, DBAs, unit assessments, IStation, ImagineMath and TELPAS assessments allow for early identification of need and potential targets for intervention.

Curriculum, Instruction, and Assessment Strengths

AVID: Students in elementary AVID are assessed three times per year by the classroom teacher in the areas of: organization, binders, planners, note taking, and levels of thinking. All teachers 3-5 will receive training.

The curriculum department has provided training, an aligned curriculum (TEKS Resource) and resources to help meet the learning needs of students. The Scope and Sequence is available in eduphoria and accessible for instructional staff.

The new ELAR HMH textbook adoption will prove a great resource for our teachers. The district has spent much effort on rolling out a sequential and intentional planning process for teachers in efforts to have high-yield instruction.

Problem Statements Identifying Curriculum, Instruction, and Assessment Needs

Problem Statement 1: Travis STAAR 2019 Reading 57% Approaches, 23% Meets, and Math 61% Approaches, 31% Meets. Rating of F. **Root Cause:** Lack of consistency in lesson planning protocol across grade levels.

School Context and Organization

School Context and Organization Summary

Travis has implemented into the 2019 schedule, targeted intervention time in the classrooms, utilization of computer lab, science and math lab for all 3-5 classes.

PLCs meet every week for 45 minutes for teacher training, planning and data meetings/support. A CPL (Campus Professional Learning) time is built into the schedule which will provide a flex system for pulling teachers vertically, horizontally, or by core taught.

CIT/CLT met to discuss implementation of programs, campus needs, schedules, data, goals and planning activities for the school year.

CHAMPS met to discuss three campus goals and will be teacher of teacher trainers for their content teams.

School Context and Organization Strengths

The Leadership team and CIT are both involved in planning school goals, best practices and ongoing progress of data and curriculum. PLCs focus on sharing of best practices, rigorous activities, and help to strengthen individual teachers, grade levels and the school as a whole. Campus principal and instructional coaches will be involved and facilitate all planning meetings to ensure high quality of planning and instructional delivery.

Problem Statements Identifying School Context and Organization Needs

Problem Statement 1: Teachers did not have PLC time with grade level content team. **Root Cause:** Master scheduling focus was not on core content classes.
