

Annual Compliance Overview

[Minnesota Statutes, section 124D.78](#) requires Minnesota districts, charters, and tribal schools with 10 or more American Indian students to have an American Indian Parent Advisory Committee (AIPAC). Specifically, the statute cites that school boards and American Indian schools must provide for the maximum involvement of parents and children enrolled in education programs, programs for elementary and secondary grades, special education programs, and support services.

To be compliant with this statutory requirement, districts, charters, and tribal schools are required to submit annual compliance documents to the Office of American Indian Education (OAIE) by March 1 of each year. Also known as the vote of concurrence or nonconcurrence, annual compliance is a valuable opportunity for American Indian Parent Advisory Committee members to meet and discuss whether or not they concur with the educational offerings that have been extended by the district to American Indian students.

The Vote and Resolution

If the AIPAC finds that the district and/or school board have been meeting the needs of American Indian students, they issue a vote and resolution of concurrence. If they find that the district and/or school board have not been meeting the needs of American Indian students, they issue a vote and resolution of nonconcurrence. This vote is formally reflected on the annual compliance documents. Members of the AIPAC must present the vote and resolution to the school board.

If the vote is one of nonconcurrence, the AIPAC must provide written recommendations for improvement to the school board at the time of the presentation. The school board then has 60 days in which to respond in writing to the AIPAC recommendations. A copy of this written response must be provided to the OAIE.
