

## ALEDO ISD BOARD MEETING TEMPLATE

**MEETING DATE:** February 28, 2022

**AGENDA ITEM:** Consider Approval of Purchase of School Activity Buses (2)

**PRESENTER:** Earl Husfeld, Chief Financial Officer

### **BACKGROUND INFORMATION:**

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000.00 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- As we discussed during the January 10, 2022 board workshop, the District has the need to upgrade and/or replace a significant number of the vehicles currently available in the District's "white fleet" of vehicles due to their age and mileage.
- The District's "white fleet" refers to all district vehicles that are not school buses. These vehicles are routinely used by staff in the following departments: Facilities/Maintenance, Technology, Transportation, and Athletics. Additionally, when available, these vehicles are frequently used by staff to attend meetings outside of the District.
- The most recent additions to the "white fleet" were two (2) 2018 model Chevrolet Impalas that were purchased in July 2017.
- The first step in the phased replacement schedule is the purchase of two (2) school activity buses. These are 14 passenger vehicles that do not require a CDL license to drive. With the increasing difficulty of finding drivers with a CDL license, these vehicles will provide the District a great deal of flexibility in scheduling their use.
- To ensure the best pricing and value, the District utilized the TASB BuyBoard cooperative purchasing method to obtain the proposals on the following pages from Rush Truck Centers/Rush Bus Centers.
- At this time, the projected delivery date of these buses is July 2022.

### **FISCAL INFORMATION:**

The \$133,556.00 cost of the two (2) school activity buses will be paid from General Fund 199.

### **ATTACHMENTS:**

Rush Truck Centers/Rush Bus Centers Customer Proposal Letter

### **ADMINISTRATIVE RECOMMENDATION:**

The Administration recommends the Board of Trustees approve the proposal submitted by Rush Truck Centers/Rush Bus Centers in the amount of \$133,556.00 for the purchase of two (2) school activity buses as presented.
