

BOARD REPORT REGARDING APPROVAL FORM

DATE: September 2, 2025

SUBJECT: Student Outcome Goal 3

BACKGROUND: Texans Can Academies has adopted a five-year Student Outcome Board Goals Plan focused on enhancing the number of students earning Industry-based certifications and completing concentrated courses, ensuring their readiness for post-secondary options in college, career, or the military upon graduation.

College, Career, and Military Readiness (CCMR) as measured by Goal Progress Measure (GPM)
3.1: The number of 12th grade students earning an industry based certification will increase from 15% in December 2024 to 31% in December 2029.

ADMINISTRATIVE CONSIDERATION:

The Texans Can Academies Board has approved the Lone Star Governance Progress Monitoring Report for Goal 3 – Class of 2024.

BUDGET IMPLICATIONS: N/A
