We received the shipment of equipment and curriculum on Tuesday of this week and the vendor is providing set up and training with teachers today. Below is a summary of the donation we received from EPPB via PSP funding. We did not

receive funding (\$75K) directly. The purchase was made by EPPB and the equipment was donated. We are also expecting another donation of equipment for the Oil and Gas program of study of \$62,500 from the EPPB in the coming months. Below is what we received:

Advanced Technologies Consultants
