Division: Technology

Subject: Technology Advisory Council Update

Background Information:

- The Technology and Digital Learning Department facilitates the Technology Advisory Council (TAC).
- The TAC represents stakeholders of students, parents, teachers, administrators, content experts, technology experts working in diverse IT related fields (cybersecurity, network, technical services, information services, etc) as well as LISD Technology and Digital Learning leaders.
- The purpose of the group is to serve as a sounding board for technology related initiatives and strategic technology planning. The group informs and supports meaningful and effective uses of technology in support of the District's strategic goals.
- A brief presentation will be provided to share information about TAC and the areas of focus during the 2025-2026 school year.
