

CSCOPE District Agreement 2011-2012 Continuing Subscription

Ector County ISD agrees to participate in the CSCOPE Curriculum Management System and Content Subscription with Region 18 Education Service Center during the 2011-2012 school year.

Description:

The CSCOPE Curriculum Management System and Content Subscription has three primary service goals:

1. Provide districts with a resource for implementing the state curriculum.
2. Provide an aligned, online curriculum with exemplar lessons.
3. Provide regular and sustained professional development.

Role of the ESC:

- Provide full access to the CSCOPE Curriculum System.
- Provide training for designated district curriculum leaders on the operations and implementation of the system.
- Coordinate with NER service providers on end-user issues.
- Provide consultation and technical assistance.
- Provide continuing professional development support based upon the attached CSCOPE Professional Development Agreement.
- Provide quarterly leadership professional development activities.
- Ongoing listserv support.

Role of the District:

- Designate a district contact/representative for coordination purposes.
- Engage in a planning process with ESC 18 staff on continued implementation sequence of CSCOPE.
- Continue to provide relevant CSCOPE information to district staff and all stakeholders (school board, teachers, parents, etc.)
- Continue implementation of CSCOPE within the district, including
 - time for administrator CSCOPE training as a team
 - release time for teachers and principals to participate in professional staff development activities of the district
 - staff time for implementation of the curriculum.
- Customize CSCOPE to local needs by adding district resources and approved materials to the online system.
- Abide by the terms of the District User License Agreement.
- Provide a current listing of all approved district domain names.
- Provide ESC 18 with teacher names, grade level course assignments, and email addresses.
- Provide ESC 18 with one (1) district curriculum user assignment.
- Participate in user group meetings.
