Re: High School Principal Report April 2022

Greetings from HHS!

I hope everyone had a great spring break and that everyone is ready to attack the 4th quarter with a positive attitude! April's theme this month will be "Positive Attitude!" Even as we face challenging times we can always choose our attitudes and this month we will focus on choosing a positive one! As we reflect on our pillars for PBIS Respect, Responsible, Safe, and having a Positive Attitude let's be sure to emphasize the Positives this month as we start off the right way for our 4th quarter!

This month is a big month for our school regarding ISAT, SAT, and ACT assessments going on. PLEASE be sure to utilize your time wisely and prep for these assessments.

“You can’t go back and change the beginning, but you can start where you are and change the ending.”

Looking forward to another great month at HHS!
