Jeremy,

I just had a great conversation with our CFO. We are going to increase our rate offer to 2.19% for the 12 month CD's for the Northome School District. Our hope is that this demonstrates the value we place on our relationship with you. I do ask that we, within reason, do not "broadcast" this rate offer as it far exceeds what we can do for most (if not all) other clients.

Please let me know how your Board feels about our offer.

Thanks again for reaching out and giving me the opportunity to revisit this important issue for the Northome School District.

Talk to you soon.

**Grant Frenzel**  
Vice President NMLS # 474592
