Subject: Student Learning Update- End of Year (EOY) Board Goals

Background Information:

- Student learning updates have been provided to the School Board throughout the year. This update will focus on:
 - The EOY results for the Board 3rd grade reading and 3rd grade math goals included in the District Improvement Plan.
 - Progress on the College, Career and Military Readiness (CCMR) goal as the data is not finalized until August 2025.
- At the September 9, 2024 Board Meeting, the LISD School Board approved the campus and district goals as well as the District Improvement plan. The approved district goals include:
 - By the end of the 2025 school year, 76.2% of all 3rd grade students will score 494 or higher on Istation Math or achieve goals set in IEPs in mathematics.
 - By the end of the 2025 school year, 78.2% of all 3rd grade students will meet grade level on ISIP or achieve goals set in IEPs in Reading.
 - By the end of the 2025 school year, 84.2% of all graduates will engage in CCMR related indicators.
- For 3rd Grade Reading measurement:
 - LISD administered Istation Reading to all 3rd grade students in April to evaluate student EOY reading levels and progress.
- For 3rd Grade Math measurement:
 - LISD administered Istation Math to all 3rd grade students in April to evaluate student EOY math levels and progress.

Administrative Consideration:

- Staff will continue to monitor campus and district progress on Early Childhood Reading, Early Childhood Math, and CCMR Board goals.
- Updated district and campus goals will be presented to the Board in Fall 2025.
 - Early Childhood Reading and Early Childhood Math goals will be set after the beginning of the year assessment window due to implementing a new assessment tool that will be used to measure this goal.
