Re: Review of Bids Results for Concert Instruments/String Equipment – 2013 Bond

As part of the 2013 bond issue, we submitted a Request for Proposal (RFP) for Concert Instruments/String Equipment. We would like to discuss the results of these bids at the next Finance Committee meeting on Monday, July 20, 2015. The list of equipment was created by members of the Bond Musical Equipment Committee (see attached).

The RFP for Concert Instruments/String Equipment was made available on May 26, 2015. The bid responses were due on June 9, 2015. The bid responses will be available in the Business Office conference room for any Board member that would like to look at the documents provided by the various firms.

We are in the process of analyzing the bid responses. Many vendors sent responses that were incomplete or provided alternate instruments for us to consider. We are reviewing the details with the music department, following up with vendors and completing our due diligence to provide the best pricing for the equipment our schools have requested. We will provide the bid tabulation and a recommendation as soon as we have it available.

On Monday, July 20, 2015 at the Finance Committee meeting we will present the bid results to the Board of Education.
