

F.2.a Medical District Bill

Background: Two years ago a proposal was presented to the Mineola ISD Board of Trustees in a Special-Called Board Meeting on April 20, 2013 to support a resolution to create a hospital district for the geographic area delineated by Alba-Golden Independent School District and Mineola Independent School District presented by a group of concerned individuals.

No action was taken.

A "Bill" has been drafted to be presented to the 84th Texas Legislature creating a hospital district delineated by the Mineola Independent School District. The Mineola Board of Trustees are being asked by the Mineola Economic Committee to support a resolution for the passage of the bill.

Recommendation: Superintendent recommends approval of the resolution supporting the creation of a hospital district delineated by the Mineola Independent School District boundaries.

Sample Motion: "I move to approve the resolution supporting the creation of a hospital delineated by the boundaries of the Mineola Independent School District."
