Procurement Recommendation

The purpose for this document is to get approval of the solid waste rate fee increase from the current approved vendor **Southern Sanitation** for the "RFP 2020-046 Garbage Collection Services" contract. The reason for this rate increase, according to Southern Sanitation, is due to the fact that the City of Laredo Solid Waste Landfill increased the Landfill Gate fees effective November 6, 2022 by \$5.00 dollars for the next four years. Therefore the fee rates adjusted from \$231.84 to new rate \$245.70 (2 days per week pick up frequency) and from \$426.00 to new rate \$460.64 (5 days per week pick up frequency).

Rationale:
