

## **FES January 2025 School Board Update**

### **January 27 Workshop Day**

January 27th is a district-wide staff workshop day. All teachers will spend the morning with a guest speaker, William Grube. He will discuss using AI in education. Thank you to Mr. Bjurman for putting this professional development together.

Teachers will have time to work individually or with their teams in the afternoon.

### **FAST Winter Screening**

Our winter literacy and math screenings for all students are just wrapping up. Classroom teachers will meet with Kristie Rahm (District Literacy Lead), Linda Corrigan and Becky Steffenson (Title Teachers), and myself to review their students' scores. Over the next month, grade-level teams will analyze their collective results in PLC meetings and plan instruction for the second half of the school year.

### **Upcoming FES Events**

Feb. 4 - PreK & Kindergarten Registration & Information Night, 4-6 pm

Feb. 6 - Third Grade Music Concerts at 6:00 pm and 7:15 pm in the FHS Auditorium

Feb. 6 & 7 - 3 Yr. Old Preschool Grandparents Days
