

# Memo

**To:** Dr. Karla Guseman  
**CC:** Board of Education  
**From:** Dr. Ilandus Hampton  
**Date:** February 17, 2026  
**Re:** Asbestos Abatement for Joliet Central and Joliet West Renovation Projects

---

The Project received 7 bids on January 26, 2026, for services that will support the removal and disposal of identified asbestos containing materials associated with the summer 2026 renovation projects. Based on the review of bid results, scope of work and contractor qualifications for the bid packages, it is recommended to award the bid to CEC Environmental, Inc. in the amount of \$182,400.00 (see attachments). Hygieneering, Inc., the district's safety and environmental consulting service contractor, will manage the projects at a cost not to exceed \$140,093.00.

The administration recommends the Board of Education approve hiring CEC Environmental, Inc., to abate asbestos materials for Joliet Central and Joliet West Renovation Projects, in the amount of \$182,400.00.
