Transition Readiness Grant

Last spring, our Community Transition Services (CTS) program submitted a Transition Readiness Grant (TRG) application to the Department of Public Instruction (DPI), specifically requesting funds to purchase a vehicle. The TRG is designed to support Wisconsin students with disabilities as they transition successfully to competitive work and post-secondary education environments after high school. As part of the application process, grant proposals must demonstrate alignment with evidence-based practices that promote successful post-secondary transitions. On September 4, our CTS program was awarded \$89,500 through this grant. The funds will be used as proposed- to purchase a vehicle that will enable students to participate more fully in community-based instruction, job training, and volunteer experiences, while reducing barriers to access, expanding learning opportunities, and strengthening the program's ability to support students as they transition into adulthood.

West Milwaukee Intermediate

The WMIS administration would like to recognize the following staff members: Ms. Busch, Mr. Grabner, Ms. Conigliaro and Ms. Slade.

Each of these staff members assisted in leading differentiated staff PD on the afternoon of September 19. Their leadership at West is greatly appreciated.

Recreation and Community Services

Major League Soccer, the National Recreation and Park Association, and the RCX Sports Foundation, announced the West Allis-West Milwaukee Recreation and Community Services Department is the recipient of \$10,000 through the MLS GO Play Fund - NRPA Grant! When athletes register to play with us, they will receive a reversible MLS branded jersey, shorts and socks in their player pack. Congratulations and thank you to Bobby Foreman for his effort and work in securing this grant to improve the game of soccer for youth in our district.

Knights of Columbus Coat Delivery

Today, the West Allis Knights of Columbus generously delivered jackets to Pershing Elementary, ensuring that every student will have one to keep them warm this season. The jackets will be distributed to students this Friday!
