CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

STATEMENT OF PHILOSOPHY

We in the Keller Independent School District believe that every child should have the opportunity to learn in the most desirable environment. One of the most important lessons education should teach is that of self-discipline. Self-discipline is the commitment to behave in ways that are mutually beneficial to oneself and others. While it does not appear as a subject, it underlies the whole educational structure. It is the training that develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper consideration for other people.

STUDENT CODE OF CONDUCT

The purpose of this document is to describe the expectations of the Keller Independent School District, School Board, administrators and staff regarding student conduct. This school district believes that the rights of students can be protected only as long as an atmosphere of organization and cooperation exists in the classrooms and at school-related functions. In an effort to fully inform students and parents of the expectations of the school district, the following Board policies and school rules have been outlined. Violation of the rules will result in appropriate behavior management methods as outlined under this Code of Conduct. Parents will be notified after any student referral to the principal's office. Serious and/or persistent violations of the statute, policies, regulations and rules may ultimately result in a student facing increasingly more serious penalties. In case of conflict between the Student Code of Conduct or Board Policy and the campus student handbook, the Student Code of Conduct or Board Policy shall prevail.

DISCIPLINARY AUTHORITY

The District has disciplinary authority over a student:

- During the regular school day and while the student is going to and from school on District transportation;
- For certain mandatory DAEP (Disciplinary Alternative Education Placement) and discretionary expulsion offenses, within 300 feet of school property as measured from any point on the school's real property boundary line;
- For any mandatory expulsion offense committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
- While the student is participating in any activity during the school day or on school grounds;
- While the student is in attendance at any school-related activity, regardless of time or location;
- For any school-related misconduct, regardless of time or location;
- When retaliation against a school employee is involved, either on or off school property;
- When the student commits a felony, as provided by Texas Education Code 37.006 or 37.0081;
- When criminal mischief is committed on or off school property or at a school event.

OFFENSES AND CONSEQUENCES

Written to cover students in grades PK-12, the wording in some areas of this guide may seem out of place for younger students. Please contact your campus administration for clarification of any concerns. Students violating the district's student discipline expectations must accept the consequences of their misbehavior. In most cases, discipline shall be administered so that penalties will increase in proportion to the severity or persistence of the misbehavior. In an effort to clarify consequences of student misbehavior, offenses are grouped into four levels of increasing severity. Students may, based on the offense committed, be dealt with at any level, or may progress from one level to another if the misbehavior continues or escalates. In each category, listings of offenses and examples of disciplinary actions are provided; however, offenses and disciplinary actions are not limited to those listed.

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

STUDENT EXPECTATIONS

Each student is expected to:

- Demonstrate courtesy even when others do not;
- Behave in a responsible manner, always exercising self-discipline;
- Attend all classes, regularly and on time;
- Prepare for each class; take appropriate materials and assignments to class;
- Meet District and campus standards of grooming and dress;
- Obey all campus and classroom rules;
- Respect the rights and privileges of other students and of teachers and other District staff;
- Respect the property of others, including District property and facilities;
- Cooperate with and assist the school staff in maintaining safety, order and discipline;
- Avoid violations of the Student Code of Conduct.

LEVELS OF OFFENSES

Students who withdraw from the district before completing any disciplinary consequences must complete those consequences prior to returning to a classroom.

Students With Disabilities

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. In accordance with the Education Code, a student who is enrolled in a special education program may not be disciplined for conduct meeting the definition of bullying, harassment, or making hit lists (see glossary) until an ARD committee meeting has been held to review the conduct. In deciding whether to order suspension, DAEP placement, or expulsion the district will take into consideration a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

LEVEL 1

Inappropriate Behavior- Minor Infractions

This first category is most important because a student's appropriate response to a teacher's early corrective action will usually avoid the need to progress to more restrictive categories. Students' first signs of misbehavior are not usually of a severe nature, but are signals of a need for special attention. Communication, cooperation and encouragement of positive behavior are the key ingredients at this level of remediation. **The following guidelines are in effect on all KISD property and at any school sponsored or school related event including school buses, field trips, contests, etc.**

A. Inappropriate offenses may include, but are not limited to:

- talking in class;
- chewing gum;
- running in halls;
- being out of seat at inappropriate times;
- being tardy;
- cutting in lines, pushing or shoving;
- being loud, rude, and/or making unnecessary noises;
- eating or drinking outside of designated areas;
- disturbing other students;

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

- being inattentive and/or inappropriate behavior in class;
- refusing to follow instructions of school personnel;
- using inappropriate or demeaning language either verbal or written (including swear words, abbreviations, acronyms, or other terms as determined by the administration);
- violating safety rules;
- verbal disruption;
- violating other communicated classroom/campus rules;
- dress code violation;
- inappropriate display of affection;
- disobeying bus conduct rules.

B. Consequences may include, but are not limited to:

- parent telephone call, letter, and/or conference;
- conference with the student;
- verbal correction;
- special duties;
- behavioral contracts;
- withdrawal of privileges;
- time-out;
- school detention;
- individualized behavior modification;
- rewards or demerits;
- confiscation of items that disrupt the educational process;
- removal from school-sponsored or school-related activity;
- referral to the school counselor;
- teacher removal to principal's office (see Seriously Inappropriate Behavior below).

Students who withdraw from the District prior to the assignment or completion of the disciplinary assignment will be required to complete the assignment upon reenrollment or show evidence that the assignment has been completed in another district.

LEVEL 2

Seriously Inappropriate Behavior

Using professional judgment, teachers may elect to refer to the building administrator students who have been documented to repeatedly interfere with the classroom educational process. Students whose actions pose a threat to other students, school personnel or themselves, will be referred to the building administrator. Those students may be removed from the teacher's class, pending the campus committee's action or decision. ~~Consideration shall be given to self-defense as a factor in a decision to order suspension, removal to a DAEP, or for expulsion.~~ **In deciding whether to order suspension, DAEP placement or expulsion, the district will take into consideration:**

1. **Self-defense (see glossary on page __)**
2. **Intent or lack of intent at the time the student engaged in the conduct,**

and

3. **The students disciplinary history.**

In order to successfully claim self-defense, a student must demonstrate that all other measures were taken, and that retaliation was their only recourse.

The discipline techniques at this stage are designed to teach the student positive alternative behaviors or to impress upon the student the negative consequences of negative behaviors.

The placement of a student with a disability who receives special education or Section 504 services may be made only by a duly constituted Admission, Review, and Dismissal (ARD) or Section 504 Committee. A student with a disability who receives special education or Section 504 services may not be placed in an

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

alternative education program solely for educational purposes if the student does not also meet the criteria for alternative placement.

After investigating the scope and nature of the offense committed, the campus administrator may implement any one or more of the following discipline management techniques. The District will take into consideration self-defense as a factor on a decision to order suspension, removal to DAEP, or expulsion. Because of these factors, discipline for a particular offense (unless otherwise specified by law) may bring into consideration varying techniques and responses.

Minimum assignments to In School Suspension (ISS) are typically 3 days. Minimum assignments to Challenge Placement Center (CPC) are typically 15 days. Minimum assignments to the Student Removal Center (SRC) are typically 45 days. Minimum assignments to Tarrant County Juvenile Justice Alternative Education Program (JJAEP) are 90 days.

Parents/guardians shall be immediately notified in any case that results in suspension, removal to a DAEP, or expulsion.

The following guidelines are in effect on all KISD property and at any school sponsored or school related event including school buses, field trips, contests, etc.

- A. Seriously inappropriate offenses may include, but are not limited to:
- repeated violations of the offenses outlined in "Inappropriate Behaviors Level 1";
 - misbehavior on school bus;
 - gambling;
 - leaving school grounds without permission;
 - truancy, "skipping" class or school;
 - violation of communicated expectations of student conduct;
 - possession or use of matches, lighters, etc.;
 - theft;
 - damaging or vandalizing property owned by others;
 - unauthorized access to district computer systems, either stand-alone or networked;
 - cheating, plagiarism.
 - inappropriate physical contact
- B. Consequences of seriously inappropriate behavior may include, but are not limited to:
- conference with the campus administrator;
 - behavioral contracts;
 - partial or complete denial of attendance and/or participation in extracurricular activities;
 - removal or restriction of bus privileges;
 - probation;
 - before or after school detention and/or Saturday school;
 - out-of-school suspension for up to three days (per occurrence) for any offense in the Student Code of Conduct, including DAEP placement or expulsion;
 - in-school suspension;
 - recommendation for self-improvement classes;
 - parent notification;
 - removal from class by the teacher for documented behavior;
 - referral to the school counselor;
 - peer mediation or other self-improvement strategy.

Students removed to alternative placements are not eligible to participate or attend any school-sponsored or school-related activities.

Students who withdraw from the District prior to the assignment or completion of the disciplinary assignment will be required to complete the assignment upon reenrollment or show evidence that the assignment has been completed in another district.

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK LEVEL 3

Serious or Persistent Misbehavior-Disciplinary Alternative Education Program

After reasonable discipline management techniques have been imposed, **or** if in the judgment of the school administrator the action itself is severe enough, and the campus administration determines that the student's presence in the regular classroom program or at the home campus presents a danger of physical harm to the student or other individuals or that the student has engaged in serious or persistent misbehavior that violates the previously communicated standards of student conduct, the administrator may remove a student to a disciplinary alternative education program (DAEP). (Either on-or off-campus, Suspension, DAEP) Assignments to off-campus DAEP result in a minimum assignment of 15 days up to a maximum assignment of 120 days (at which point the assignment shall be reviewed to determine if the student shall remain in DAEP or return to the campus). Placements in DAEP may continue from one school year to the next. **Students removed to alternative placements are not eligible to participate or attend any school-sponsored or school-related activities. Students removed from their home campus are also prohibited from being on their home campus or any other campus or District facility other than the one to which they are assigned without approval of the student's principal.**

The Keller ISD will honor DAEP assignments made in other districts for incoming transfer students. Transportation from designated pickup points to the District's DAEP will be provided to those students who request transportation.

Consideration shall be given to self-defense as a factor in a decision to order suspension, removal to a DAEP, or for expulsion. In order to successfully claim self-defense, a student must demonstrate that all other measures were taken, and that retaliation was their only recourse.

Minimum assignments to In School Suspension (ISS) are typically 3 days. Minimum assignments to Challenge Placement Center (CPC) are typically 15 days. Minimum assignments to the Student Removal Center (SRC) are typically 45 days. Minimum assignments to Tarrant County Juvenile Justice Alternative Education Program (JJAEP) are 90 days.

Parents/guardians shall be immediately notified in any case that results in suspension, removal to a DAEP, or expulsion.

Serious or Persistent Misbehavior includes, but is not limited to, repeated violations of behaviors in Levels 1, 2, or 3 of the Student Code of Conduct. If a student is suspended, the student's absence shall be considered an excused absence if the student satisfactorily completes the class assignments for the period of suspension within the same number of days as his/her suspension, after the student's return to school.

The following guidelines are in effect on all KISD property and at any school sponsored or school related event including school buses, field trips, contests, etc.

Behaviors that may lead to placement in an Alternative Education Program may include, but are not limited to:

- Abusing the student's own prescription drug, or possessing or being under the influence of another person's prescription drug on school property or at a school-related event;
- addition of alcohol or other intoxicating substance to food products
- altering or modifying computer files or systems without authorization;
- causing or participating in classroom disturbances;
- continued violations of behaviors described in Levels 1 and 2;
- committing extortion, coercion or blackmail (obtaining money or other objects of value from an unwilling person, or forcing an individual to act through the use of force or threat of force);
- discharge or possession of fireworks or noxious chemicals;
- engaging in any form of sexual harassment (including inappropriate physical contact);
- engaging in verbal abuse (name-calling, ethnic or racial slurs, derogatory, vulgar or profane statements addressed publicly to others that may cause disruption or incite violence);
- engaging in any other conduct that disrupts the school environment or education process;
- entering any Keller ISD facility without permission;
- falsification of school documents;
- fighting;

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

- forgery;
- gang activity;
- hazing;
- harassment, name calling, verbal intimidation
- insubordination to school personnel;
- introducing a virus or other destructive program into any computer system owned or used by the District;
- obscene or inappropriate language or gestures;
- possession of ammunition, either live or spent;
- possession of any knife other than an illegal knife (Penal Code 46.01(1);
*(Possession of any illegal knife is an expellable offense.) (See Level 4 Section A)
- possession of drug-related paraphernalia;
- **possessing or selling seeds or pieces of marijuana in less than a usable amount. (For illegal drugs, alcohol, and inhalants see DAEP Placement and Expulsion)**
- **possessing, using, giving, or selling paraphernalia related to any prohibited substance. (See glossary for “paraphernalia”)**
- **possessing or selling look-alike drugs or items attempted to be passed off as drugs or contraband.**
- **abusing the student’s own prescription drug, giving a prescription drug to another student, or possessing or being under the** influence of another person’s prescription drug on school property or **at a school-related event.**
- **Having or taking prescription drugs or over-the-counter drugs at school other than as provided by district policy.**
- possession of a stun gun;
- possession of look-alike weapons, BB guns, pellet guns, etc.;
- **possession, use, or threatened use, etc. (including any action or remark that indicate a concealed weapon is or may be in the student’s possession) of articles not generally considered to be weapons when the principal or designee determines that a danger exists or is threatened to exist for any person or school property by virtue of possession, use or threatened use.**
- possession or use of tobacco;
- possessing published or electronic material that is designed to promote or encourage illegal behavior or that could threaten school safety; using e-mail or Web sites at school to encourage illegal behavior; or threatening school safety;
- theft (repeated or of significant value);
- throwing objects that may cause bodily injury or damage property;
- truancy;
- use of debilitating chemicals;
- vandalism (less than \$1500 damage);
- verbal abuse;
- withholding information that would be material to an investigation by school officials;
- Violating the District’s policy on taking prescription drugs and over-the-counter drugs at school.

Consequences for serious or persistent misbehavior may include, but are not limited to:

- in-school suspension (on- or off-campus);
- assignment to a disciplinary alternative education program (off-campus);
- suspension from school (up to three (3) days per occurrence; unlimited number per year);
- referral to appropriate law enforcement agency.

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

DISCRETIONARY REMOVAL TO DAEP BY A PRINCIPAL OR OTHER APPROPRIATE ADMINISTRATOR

(off-campus felonies)

A. Students may be placed in a DAEP if:

1. The Superintendent or designee has a reasonable belief that a student has engaged in conduct defined as a felony offense other than those defined in Title 5 of the Penal Code (offenses against a person), and
2. The continued presence of the student in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

B. In accordance with Education Code 37.0081, after an opportunity for a hearing before the Board or its designee, a student may be placed in a DAEP if:

- The student receives deferred prosecution for conduct defined as a felony offense in Title 5 of the Texas Penal Code; or
- The student has been found by a court to have engaged in delinquent conduct for conduct defined as a felony offense in Title 5 of the Texas Penal Code.

The Board or the Board's designee must determine that the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers;
2. Will be detrimental to the educational process; or
3. Is not in the best interest of the District's students.

A student's placement in the DAEP as a result of receiving deferred prosecution or delinquent conduct, as described above, may occur regardless of:

1. The date on which the student's conduct occurred;
 2. The location at which the conduct occurred;
 3. Whether the conduct occurred while the student was enrolled in the District; or
 4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.
- Involvement in gang activity, including participating as a member or pledge, or soliciting another person to become a pledge or member of a gang;
 - Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, or secret society;
 - Criminal mischief not punishable as a felony;
 - A federal firearms violation, for a student six years of age or younger.

A DAEP placement in accordance with Education Code 37.0081 may be for any length of time determined necessary by the Board or its designee in light of the factors considered before placement. A student placed under this section is entitled to periodic status reviews by the Board or designee at intervals not to exceed 120 days.

The Board's designee will send the student and the parents a copy of the DAEP order. Not later than the second business day after the conference, the Board's designee will deliver to the juvenile court a copy of the order placing the student in a DAEP and all information required by Section 52.04 of the Family Code. After the conference, if the student is placed in a DAEP, the appropriate administrator will write a DAEP placement order. A copy of the DAEP placement order will be sent to the student and the student's parent. Parental questions or complaints regarding disciplinary measures should be addressed to the campus administration, in accordance with policy FNG (LOCAL)

[http://www.tasb.org/policy/pol/private/220907/pol.cfm?DisplayPage=FNG\(LOCAL\).html](http://www.tasb.org/policy/pol/private/220907/pol.cfm?DisplayPage=FNG(LOCAL).html) . A copy of this policy may be obtained from the principal's office or the central administration office. Consequences will

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

not be deferred pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the Board, **however, parents/guardians may file a complaint under Board Policy FNG. Policy information may be found on the District's website at [http://www.tasb.org/policy/pol/private/220907/pol.cfm?DisplayPage=FNG\(LOCAL\).html](http://www.tasb.org/policy/pol/private/220907/pol.cfm?DisplayPage=FNG(LOCAL).html)**.

State law prohibits students placed in a DAEP for mandatory removal reasons from attending or participating in school-sponsored or school-related extracurricular activities. **The District does not permit students who commit offenses resulting in a DAEP placement to participate in any school-sponsored or school-related extracurricular and co-curricular activity.**

The District will provide transportation to students assigned to CPC. Tarrant County JJAEP provides transportation for students assigned to JJAEP.

If during the term of placement in a DAEP the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the principal, or other appropriate administrator, or the Board may enter an additional disciplinary order as a result of those proceedings.

A student placed in a DAEP will be provided a review of his or her status, including academic status, by the DAEP administrator at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan will also be reviewed. At the review, the student or the student's parent will be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent will be given notice and the opportunity to participate in a proceeding before the Board's designee. Any decision is final and may not be appealed beyond the Board.

For placement in a DAEP to extend beyond the end of the school year, the DAEP administrator and sending school principal must determine that:

- The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others;
or
- The student has engaged in serious or persistent misbehavior that violates the District's Student Code of Conduct.

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

When a student violates the District's Student Code of Conduct in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the District before a DAEP placement order is completed, the District may complete the proceedings and issue a DAEP placement order. If the student then reenrolls in the District during the same or a subsequent school year, the District may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the principal, or other appropriate administrator, or the Board fails to issue a DAEP placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a DAEP placement order.

A student assigned to a DAEP placement in another district or open-enrollment charter school at the time he or she enrolls in the District will be placed directly into the District's DAEP. If the student was placed in a DAEP by a school district in another state for a period that exceeds one year, this District, by state law, will reduce the period of the placement so that the total placement does not exceed one year unless, after a review, the District determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

MANDATORY REMOVAL TO DAEP BY A PRINCIPAL OR OTHER APPROPRIATE ADMINISTRATOR

Students shall be placed in a disciplinary alternative education program if the student engages in conduct that involves a public school that contains the elements of the offense of false alarm or report under Section 42.06, Penal Code, or terroristic threat under Section 22.07, Penal Code.

Students **must** be placed in a DAEP for the following offenses if committed on school property, or within 300 feet of school property, or while attending a school-sponsored or school-related activity on or off school property:

1. Engages in conduct punishable as a felony.
2. Engages in conduct that contains elements of assault under Penal Code 22.01(a) (1) (intentionally, knowingly, or recklessly causing bodily injury to another).
3. Sells, gives, or delivers to another person or possesses, uses, or is under the influence of: Marijuana or a controlled substance as defined by the Texas Controlled Substances Act or by 21 U. S. C. 801, et seq.; A dangerous drug, as defined by the Texas dangerous drug law in Chapter 483 of the Health and Safety Code. (See Discretionary Expulsion)
4. Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if punishment is less than a felony. (see Discretionary Expulsion)
5. Engages in conduct that contains the elements of an offense relating to abusable glue or aerosol paint or relating to volatile chemicals-including household chemicals. (Section 485.031-485.035, Health and Safety Code, or Chapter 484, Health and Safety Code)
6. Engages in conduct that contains the elements of the offense of public lewdness or indecent exposure.
7. Retaliates against a school employee, when not combined with another offense, either on or off school property.
8. Engages in expellable conduct, if the student is between six and nine years of age.
9. Engages in conduct that contains the elements of the offense of retaliation against any school employee on or off school property.

Students must be placed in a DAEP for conduct committed off-campus while the student is not in attendance at a school-related or school-sponsored activity, if that conduct constitutes a felony offense in Title 5 of the Penal Code [see APPENDIX A] (offenses against a person) and if:

1. The student receives deferred prosecution under Section 53.03 of the Family Code for the offense.
- or
2. A court or jury finds that the student has engaged in delinquent conduct under Section 54.03 of the Family Code.
- or
3. The Superintendent or designee has a reasonable belief that the student has engaged in felony conduct addressed in Title 5.

If a student under 10 years of age engages in an expellable offense, the student must be placed in the DAEP.

The principal or other appropriate administrator may, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the principal or other appropriate administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

When a student is removed from class by a teacher (formal removal) or an administrator for a mandatory or discretionary DAEP offense, the principal or other appropriate administrator will schedule a conference within three school days with the student's parent, the student, and the teacher, in the case of a teacher removal. At the conference, the principal or appropriate administrator will inform the student of the misconduct for which he or she is charged and will give the student an opportunity to give his or her version of the incident. The principal or administrator will notify the student of the consequences of the Student Code of Conduct violation.

Until a conference can be held as a result of a formal teacher removal or administrator removal, the principal may place the student in:

- Another appropriate classroom;
- In-school suspension;
- Out-of-school suspension;
- A Disciplinary Alternative Education Program.

At the conference, the principal or appropriate administrator will inform the student, orally or in writing, of the reasons for the removal, an explanation of the basis for the removal, and an opportunity to respond to the reasons for the removal.

Following valid attempts to require their attendance, the District may hold the conference and make a placement decision regardless of whether the student or the student's parent attends the conference.

After the conference, if the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in the Student Code of Conduct, the DAEP placement order will give notice of the inconsistency.

Placement in a DAEP may not exceed one year unless a review by the District determines that:

1. The student is a threat to the safety of other students or to District employees; or
2. Extended placement is in the best interest of the student.

A DAEP placement in accordance with Education Code 37.0081 may be for any length of time determined necessary by the Board or its designee in light of the factors considered before placement. A student placed under this section is entitled to periodic status reviews by the Board or designee at intervals not to exceed 120 days.

The Board's designee will send the student and the parents a copy of the DAEP order. Not later than the second business day after the conference, the Board's designee will deliver to the juvenile court a copy of the order placing the student in a DAEP and all information required by Section 52.04 of the Family Code. After the conference, if the student is placed in a DAEP, the appropriate administrator will write a DAEP placement order. A copy of the DAEP placement order will be sent to the student and the student's parent. Parental questions or complaints regarding disciplinary measures should be addressed to the campus administration, in accordance with policy FNG (LOCAL)

[http://www.tasb.org/policy/pol/private/220907/pol.cfm?DisplayPage=FNG\(LOCAL\).html](http://www.tasb.org/policy/pol/private/220907/pol.cfm?DisplayPage=FNG(LOCAL).html) . A copy of this policy may be obtained from the principal's office or the central administration office. Consequences will not be deferred pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the Board, **however, parents/guardians may file a complaint under Board Policy FNG. Policy information may be found on the District's website at** [http://www.tasb.org/policy/pol/private/220907/pol.cfm?DisplayPage=FNG\(LOCAL\).html](http://www.tasb.org/policy/pol/private/220907/pol.cfm?DisplayPage=FNG(LOCAL).html) .

State law prohibits students placed in a DAEP for mandatory removal reasons from attending or participating in school-sponsored or school-related extracurricular activities. The District does not permit a student who is placed in a DAEP for any reason determined by the District, to participate in any school-sponsored or school-related extracurricular and co-curricular activity.

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

The office of the prosecuting attorney will notify the District if a student was placed in a DAEP and:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see glossary), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

Sexual Assaults and Campus Assignments

If a student has been convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus, and if the victim or the victim's parents request that the Superintendent or designee transfer the offending student to another campus, the offending student shall be transferred to another campus in the district. If there is no other campus in the district serving the grade level of the offending student, the offending student will be transferred to a DAEP.

If a student was placed in a DAEP for conduct other than a false alarm or report or terroristic threat involving a public school or conduct on or within 300 feet of school property for which DAEP placement is required by law, on receiving the notice from the prosecutor, the Superintendent or designee will review the student's placement in the DAEP and schedule a review of the student's placement with the student's parent not later than the third day after the Superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the Superintendent or designee may continue the student's placement in the DAEP if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers. The student or the student's parent may appeal the Superintendent's decision to the Board. The student may not be returned to the regular classroom pending the appeal.

The Board will, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the Superintendent or designee, and confirm or reverse the decision of the Superintendent or designee. The Board will make a record of the proceedings. If the Board confirms the decision of the Superintendent or designee, the Board will inform the student and the student's parent of the right to appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

EMERGENCY PLACEMENT

In an emergency, the principal or principal's designee may order the immediate placement of a student in a DAEP for any reason for which placement in a DAEP may be made on a non-emergency basis. When an emergency placement occurs, the student will be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student will be given the appropriate conference required for placement in a DAEP. If emergency placement involves a student with disabilities who receives special education services, the term of the student's emergency removal is subject to the requirements of federal law.

Students who withdraw from the District prior to the assignment or completion of the disciplinary assignment will be required to complete the assignment upon reenrollment or show evidence that the assignment has been completed in another district.

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK LEVEL 4

The district will continue the expulsion of any student expelled from another district, open enrollment charter school, or from out of state (if expelled for a reason specified in Texas) during the period of the expulsion order.

DISCRETIONARY REMOVAL

General misconduct violations will not necessarily result in the formal removal of the student from class or another placement but may result in a routine referral, formal removal, or the use of one or more discipline management techniques.

FORMAL REMOVAL

The principal or designee may immediately remove a student to an alternative education program if the student's behavior is so unruly, inappropriate or abusive that it seriously interferes with a teacher's ability to communicate effectively with the students in a class, with the ability of the student's classmates to learn, or with the operation of school or a school-sponsored activity. Students may be immediately expelled if the principal or designee reasonably believes that action is necessary to protect persons or property from imminent harm.

Students who withdraw from the District prior to the assignment or completion of the disciplinary assignment will be required to complete the assignment upon reenrollment or show evidence that the assignment has been completed in another district.

PLACEMENT IN A JUVENILE JUSTICE ALTERNATIVE EDUCATION PROGRAM

The Board of Trustees has entered into an agreement with the county juvenile board outlining the juvenile board's role in the establishment and operation of the Juvenile Justice Alternative Education Program and conditions of payments from the District to the Juvenile Board. Details are defined in agreements available for public inspection upon request made to the Superintendent.

Consideration shall be given to self-defense as a factor in a decision to order suspension, removal to a DAEP, or for expulsion. In order to successfully claim self-defense, a student must demonstrate that all other measures were taken, and that retaliation was their only recourse.

Minimum assignments to In School Suspension (ISS) are typically 3 days. Minimum assignments to Challenge Placement Center (CPC) are typically 15 days. Minimum assignments to the Student Removal Center (SRC) are typically 45 days. Minimum assignments to Tarrant County Juvenile Justice Alternative Education Program (JJAEP) are 90 days.

Parents/guardians shall be immediately notified in any case that results in suspension, removal to a DAEP, or expulsion.

Students removed from their home campus are also prohibited from being on their home campus or any other campus or District facility other than the one to which they are assigned without approval of the student's principal.

APPEAL PROCESS FOR DISCIPLINARY ACTIONS

(This is a simplified explanation. Contact your principal for a complete copy of policies ~~FOAA, FOAB, FOD, FOE~~. **FOA, FOB, FOC, FOCA, FOD, FODA**. Policies available online at <http://www.tasb.org/policy/pol/private/220907/>)

Assignments other than Expulsion or Alternative Placement (ISS, SLC, Suspension, Detention, etc.)

Disciplinary assignments are typically made immediately upon the conclusion of the conference between the student and the administrator. Parents are contacted as soon as possible, depending on the circumstances.

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

Appeal of assignments other than Expulsion or Alternative Placement (ISS, SLC, Suspension, Detention, etc.)

1. Meet with principal or principal's designee within three days of assignment of the consequence.
2. Meet with Executive Director of Elementary, Intermediate and Middle or Secondary Administration. (Parent/guardian must file written notice within two school days of receipt of principal's decision.)

This appeal **cannot** result in the punishment being increased unless an administrative error was made in the previous meeting. It may result in a decrease only if errors are discovered in either the investigation by the campus administration or that the punishment assigned is not within the scope of the policy. The hearing officer does not have the authority to substitute his/her judgment for that of the campus administration.

3. There is no further appeal beyond the appeal at number 2 above. Until the appeal process is completed, the student shall remain in ISS or SLC as assigned. (Complaints may be filed under district policy FNG.)

Assignments to Alternative Placement Disciplinary Alternative Education Program (DAEP) (CPC, SRC)

Disciplinary assignments are made immediately upon the conclusion of the conference between the student, parent/guardian and the administrator.

Appeal of assignments to Alternative Placement DAEP (CPC, SRC)

1. Meet with principal or principal's designee within three days of assignment of the consequence.
2. Meet with Executive Director of Elementary, Intermediate and Middle or Secondary Administration. (Must file written notice within two school days of receipt of principal's decision.)

This appeal **cannot** result in the punishment being increased unless an administrative error was made in the previous meeting. It may result in a decrease only if errors are discovered in either the investigation by the campus administration or that the punishment assigned is not within the scope of the policy. The hearing officer does not have the authority to substitute his/her judgment for that of the campus administration.

3. There is no further appeal beyond the appeal at number 2 above. Until the appeal process is completed, the student shall remain in ISS/SLC. (Complaints may be filed under district policy FNG.
[http://www.tasb.org/policy/pol/private/220907/pol.cfm?DisplayPage=FNG\(LOCAL\).html](http://www.tasb.org/policy/pol/private/220907/pol.cfm?DisplayPage=FNG(LOCAL).html))

Commission of Off-Campus Felony (under Title 5 of Penal Code) or retaliation against a school employee.

4. After notification that the charge was refused or the student was found not guilty, the Superintendent or designee shall review the student's placement in CPC to determine if the assignment should be continued (threat to safety of students or teachers). If continued, this decision is appealable to the Board of Trustees. If the Board confirms the earlier decision, it may be appealed to the Commissioner of Education.

Expulsion

If necessary, immediate action may be taken to separate the student from other students. Final decisions regarding punishment will be made at the conclusion of the Due Process Hearing.

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

Appeal of Expulsion

1. The student shall be provided a full Due Process Hearing to which the student, and parents, (guardian) are invited. The student may be represented by the parents (guardian) or another adult representative (may be an attorney) who is not a staff member of the school. If an attorney attends, prior notification is required so that the District may also have an attorney present.
2. The school-level hearing shall be held within five school days of the occurrence (or knowledge of the occurrence) of the event for which punishment is considered. Notification of the results of the school-level hearing shall be delivered to the student or adult representative within five school days of the hearing.
3. Appeals must be filed with the Executive Director of Elementary, **Intermediate and Middle** or Secondary Administration within two school days of receipt of the principal's written decision. A hearing shall be conducted within five school days of receipt of the appeal letter. The hearing will be heard before a three member Board of Review convened at the Central Administration Building. The hearing shall be ~~conducted in the same manner as the~~ **a review of the information presented at the** school-level hearing. Punishment will be determined based on the evidence presented at the appeal hearing. During the time of the appeal, the student shall remain in the JJAEP. If no appeal is received **within the specified timeframe**, the right to appeal is waived.
4. The decision of the Board of Review may be appealed to the Board of Trustees of the school district by filing written notice with the Superintendent of Schools within two school days of receipt of written notification. During the time of the appeal, the student shall remain in the JJAEP.
5. The appeal shall be considered at a future Board Meeting. The decision of the Board shall be based on the record made at the appeal hearing.
6. The decision of the Board may be appealed by trial de novo in a State District Court in Tarrant County.

ADMISSIONS

Admission to district schools is governed by policies FD legal, FD local, and the remainder of policies in the FD series. (See <http://www.tasb.org/policy/pol/private/220907> for policies)

Admission now includes (through Acts of the 79th Legislature) a provision that:

The parent and grandparent of a nonresident student requesting admission under Education Code 25.001(b)(9) shall provide to the Superintendent the required information on the grandparent's residency and complete a form provided by the District describing the extent of after-school care to be provided by the grandparent.

The Board has determined that substantial care requires that a student in grades pre-kindergarten-grade 8 receive at least three hours of after-school care for five days each regular school week. Students in grades 9-12 shall not be eligible for admission based on grandparent care.

The Superintendent or designee shall have authority to approve such admissions requests in accordance with criteria approved by the Board. For additional information, please contact your school office.

ALCOHOL AND/OR DRUG USE

No student shall knowingly possess, use, transmit, or be under the influence of any narcotic drug, hallucinogen, amphetamine, barbiturate, marijuana, alcoholic beverage, or other intoxicant (as those terms are defined by law), or any other substance prohibited under the Texas Controlled Substances Act or the Federal Drug Abuse Prevention Control Act:

- on school grounds during any school term
- off school grounds at a school activity, function, or event

Substances represented to be a drug or an alcoholic beverage shall be treated as though they are drugs or alcohol for the purposes of student discipline. (See Level 3 Serious or Persistent Misbehavior-Alternative Education Program.)

ASSAULT

Students are prohibited from assaulting any individual. An assault is defined as:

- intentionally, knowingly, or recklessly causing bodily injury to another;
- intentionally or knowingly threatening another with imminent bodily injury;
- intentionally or knowingly causing physical contact with another when the student knows or should reasonably believe that the other will regard the contact as offensive or provocative.

Actions or threats of actions that constitute verbal or physical assaults or abuse of any individual on school property or at a school-related function by a student or any other individual will not be tolerated. Offenses of this nature may result in action by a law enforcement officer. Not all incidents determined to be fights are classified as assaults.

ATTENDANCE

In Texas, children are required to attend school unless exempted by law. School employees investigate and report violations of the state compulsory attendance law. Parents will be notified in writing by their child's school prior to being at risk of violation of either compulsory attendance or the "90% rule". Students who are 6 years of age must be enrolled in school, and students who have not reached their 18th birthday must be enrolled in school unless exempt by law. A student who voluntarily attends school after their eighteenth birthday is required to attend each school day. If a student 18 or older has more than five unexcused absences in a semester, the District may revoke the student's enrollment. The student's presence on school property is then unauthorized and may be considered trespass. Regular attendance and punctuality are required of every student. Students shall not receive credit for a

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

course/class unless the student is in attendance for at least 90% of the days that the class is offered, unless there are extenuating circumstances. Denial of credit may be appealed to a campus attendance committee appointed by the principal and authorized by the Board. Official attendance is taken at the same time each day on each campus. Check with your campus administration or Campus Handbook for the specific time for your campus.

ATTENDANCE OFFICERS

The Keller ISD employs Attendance Officers to investigate and assist families and students experiencing significant attendance problems. If efforts by the school and Attendance Officers are not successful in improving attendance, the District may file against the parent/guardian and student for violation of the State Compulsory Attendance law. This may result in a fine for each day of unexcused absence.

BULLYING

~~Bullying is the intentional intimidation, threatening, or physical contact with another individual.~~

"Bullying" means engaging in written or verbal expression or physical conduct that the Board or its designee determines:

- 1. Will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or**
- 2. Is sufficiently severe, persistent, or pervasive that the action or threat creates an intimidating, threatening, or abusive educational environment for a student. (See FDB legal)**

This behavior will not be tolerated. Students who participate in bullying will receive appropriate disciplinary consequences up to and including assignment to CPC.

BUS INFORMATION

Transportation by bus is provided for those students living two or more miles from their school (not including transfer students), and by ARD or Section 504 Committee decision, for Special Education or Section 504 students who require transportation as an educational need. All students riding District-provided school buses or charters are expected to follow rules posted on the bus or described by teachers. Included in those rules are expectations for behavior as well as expectations regarding items that can be transported. All items carried on the bus must fit in the student's lap or under the seat. Items such as large gym bags, book bags, or musical instruments must follow those rules and cannot take a seat space from another student. Bus drivers are in charge of student behavior on the bus and their instructions must be followed. Disciplinary action, including temporary or permanent removal from the bus may be taken against any student violating bus rules.

CELEBRATE FREEDOM WEEK

CELEBRATE FREEDOM WEEK is scheduled by law for the week in which November 11 falls. The State Board of Education adopted 19 TAC 74.33 addressing all social studies classes in grades 3–12, including required instruction concerning the intent, meaning, and importance of the Declaration of Independence, and the United States Constitution in their historical contexts. The rule requires a specific recitation from the Declaration. Congress has declared September 17 of each year, or if that date falls on a holiday or a weekend, a day during the prior week or following week, to be Constitution Day, on which each district receiving federal funds will provide an educational program to implement Constitution Day.

CHILD FIND

Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) require that the Keller Independent School District not discriminate on the basis of handicap in any District program or activity. The District will identify, evaluate and provide appropriate public education to students who are handicapped under Section 504, including homeless children. Call the Section 504 Coordinator at 744-1000.

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

Child Find can help people up to age 21 with disabilities that have not been identified. Some of the signals are: underachievement, careless errors, disorganization, refusal to do school work, and slow performance. If you notice some of these signs, ask that the student be evaluated for learning disabilities. Call the Special Education Office at 744-1032.

COMMUNICABLE DISEASES/CONDITIONS

To protect children from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. Parents of a student with a communicable or contagious disease should phone the school nurse or principal so that other students who have been exposed to the disease can be alerted. These diseases include:

Amebiasis, Campylobacteriosis, Chicken pox, Common cold with fever, Fifth Disease, Gastroenteritis-Viral, Giardiasis, head lice, Hepatitis-Viral A, Impetigo, Infectious Mononucleosis, Influenza, Measles, Meningitis-Bacterial, Mumps, Pinkeye, Ringworm (of the scalp), Rubella, Salmonellosis (including Typhoid Fever), Scabies, Shigellosis, Streptococcal Disease-invasive, Tuberculosis-Pulmonary, Whooping Cough.

Contact your school's nurse for additional information.

COMPLAINTS AND CONCERNS (STUDENT OR PARENT)

Usually student or parent complaints or concerns can be addressed simply—by a phone call or a conference with the teacher. For those complaints and concerns that cannot be handled so easily, the District has adopted a standard complaint policy at FNG (LOCAL) in the District's policy manual. A copy of this policy may be obtained in the principal's or Superintendent's office or on the District's Web site at www.kellerisd.net. In general, the student or parent should first discuss the complaint with the campus principal. If unresolved, a written complaint and a request for a conference should be sent to the Superintendent. If still unresolved, the District provides for the complaint to be presented to the Board of Trustees.

DIABETES

In accordance with a student's individual health plan for management of diabetes, a student with diabetes will be permitted to possess and use monitoring and treatment supplies and equipment while at school or at a school related activity. See the school nurse or principal for information.

DIRECTORY INFORMATION

The law specifies that certain general information about Keller ISD students is considered "directory information" and will be released to anyone who follows procedures for requesting it.

Release of any or all directory information regarding a student may be prevented by the parent or an eligible student. This objection must be made in writing to the principal within ten school days of the child's first day of this school year. [See the acknowledgment form attached to this handbook.]

Virtually all information pertaining to student performance, including grades, test results, and disciplinary records, is considered confidential educational records. Release is restricted to:

- The parents—whether married, separated, or divorced—unless parental rights have been legally terminated and if the school is given a copy of the court order terminating these rights. Federal law requires that, as soon as the student becomes 18 or is emancipated by a court, control of the records goes to the student. However, the parents may continue to have access to the records if the student is a dependent for tax purposes.
- District staff members who have what federal law defines as a "legitimate educational interest" in a student's records. Such persons would include school officials (such as Board members, the

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

Superintendent, and principals), school staff members (such as teachers, counselors, and diagnosticians), or an agent of the District (such as a medical consultant).

- Various governmental agencies or in response to a subpoena or court order.
- A school to which a student transfers or in which he or she subsequently enrolls.

Release to any other person or agency—such as a prospective employer or for a scholarship application—will occur only with parental or student permission as appropriate. The District must comply with a request by a military recruiter or an institution of higher education for students' names, addresses, and telephone listings, unless parents have advised the District not to release their child's information without prior written consent.

DETENTION

Students may be detained before or after school hours or assigned to a Saturday class for one or more days if he/she violates the Student Code of Conduct or the campus handbook. The student's parents will be notified of the reason for the detention and should make arrangements for the student's transportation.

DISCRIMINATION

The District does not discriminate on the basis of gender, race, creed, ethnicity, religion or handicapping condition. Students or parents who believe that they have been discriminated against should first discuss the matter with the teacher. If the outcome of that discussion is not satisfactory, the student and/or parents who have a complaint regarding possible discrimination should contact the principal, then the appropriate central office personnel. Complaints or concerns regarding handicapped students or the District's program for handicapped students should be brought to the Director of Special Services or Section 504 Coordinator.

DRESS CODE

The Board believes that proper etiquette, social customs and good grooming are a definite part of the educational process. To this end, students should wear to school, and to school functions, clothing that is neat, clean and appropriate, and that meets the standards of the district's educational environment. Any extreme in clothing, hair, cosmetics, jewelry or appearance that may disrupt the normal operations of the school will not be acceptable.

1. Students' hair shall be clean, neat, and well-groomed. Hairstyles shall not, in the opinion of the administration, cause a health or safety hazard or cause a disruption of the educational process.
2. Students shall wear clothing and undergarments in keeping with their gender:
 - no half-length or bare-midriff shirts/blouses shall be worn;

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

Appropriateness and moderation in all things, concern for the health and safety of the students, and the avoidance of distractions to the educational process are the guiding principles of the student dress code. Styles and fads are constantly changing and cannot possibly be covered by specific rules and regulations. The task of evaluating what is proper in the way of dress and grooming is highly controversial, and opinion among people varies. The individual schools will assume responsibility for ruling on specific items of clothing and general appearance for reasons of safety and health, or for the order, well-being and general welfare of students.

The Board authorizes school administrators to make appropriate adjustments in the dress code to fit the unique needs of a particular campus and to employ appropriate disciplinary procedures to carry out and enforce this policy.

DRUG DOGS

Sniffer dogs (drug dogs) are used primarily in the secondary schools of the District (on-call to any school) to ensure that drugs, alcohol, and weapons are not on the campuses. Sniffer dogs may be used at any time on any District facility.

Other assaults or disturbances may also require a minimum 15-day assignment to CPC. Based on the seriousness of the offense, the punishment may be greater. Law enforcement personnel may be contacted to write a citation in these situations.

FRATERNITIES, SORORITIES, SECRET SOCIETIES AND GANGS

The Board strictly prohibits the organization of any fraternity, sorority, gang or secret society. If you need additional information, please contact an administrator on your campus. NOTIFICATION OF ASBESTOS-RELATED ACTIVITIES IN KELLER ISD

As required by the Federal Government, this will serve as notification to the above constituency of current and pending asbestos-related activities for Keller ISD.

Texas Department of Health licensed inspectors performed the mandatory three-year inspection of asbestos containing materials for our district during the month of June 2000. This re-inspection is used by the district as a time to check the condition of asbestos materials, update records, and review current regulations. Our district has completed each of these projects, and we will not be required to complete another three-year re-inspection until June, 2006.

Our independent inspectors have located and identified asbestos in some of the schools, and they have made recommendations for proper control of potential hazards. This inspection process was followed by management planning process, which enabled our district to determine any potential hazards, and take corrective actions to ensure the health and safety of our students and faculty.

As required by law, our designated person and/or independent inspectors will complete a surveillance of all asbestos-containing areas every six months to ensure any potential hazard is kept to a minimum. Any removal of asbestos containing materials will be scheduled to occur when school is not in session and notification will be made to the Texas Department of Health as required by law. Individuals on campus will also be notified.

A copy of the management plan, as well as the inspection documentation, will be kept in the Environmental Property Services office at 350 Keller Parkway, Keller, Texas 76248, and in the office of each individual campus. You may call the Keller ISD designated person, Pam Wright at 817-744-3950 if you need additional information.

NOTIFICATION OF PESTICIDE APPLICATION

Keller ISD takes the responsibility to notify the school staff and students of upcoming pesticide treatments. Notices are posted in designated areas at various campuses and sent home to parents who wish to be informed in advance of pesticide applications. You may call our Integrated Pest Management (IPM) coordinator, Pam Wright at 817-744-3950 if you need additional information.

STUDENT TRANSFER- Bullying

You may request a transfer of your child to another classroom or campus if your child has been verified by the Executive Director of Elementary, **Intermediate and Middle** or Secondary Administration to have been a victim of bullying as the term is defined by Education Code 25.0341. Transportation is not provided for a transfer to another campus.

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

STUDENT TRANSFER – Persistently Dangerous Campus

You may request a transfer of your child to attend a safe public school in the District if your child attends school at a campus identified by TEA as persistently dangerous or if your child was a victim of a violent criminal offense while in school or on school grounds. See policy FDD(LOCAL)

[http://www.tasb.org/policy/pol/private/220907/pol.cfm?DisplayPage=FDD\(LOCAL\).html](http://www.tasb.org/policy/pol/private/220907/pol.cfm?DisplayPage=FDD(LOCAL).html) .

STEROIDS

Parents and students should be aware that state law prohibits students from possessing, dispensing, delivering, or administering an anabolic steroid. Anabolic steroids are for medical use only, and only a physician can prescribe use. Under state law, body building, muscle enhancement, or the increase of muscle bulk or strength through the use of an anabolic steroid or human growth hormone by a healthy student is not a valid medical use and is a criminal offense.

STUDENT SUCCESS INITIATIVE

Enacted by the 76th Texas Legislature (1999), the Student Success Initiative (SSI) mandates new passing requirements to be phased in as follows:

- Beginning in school year 2002-2003, third-graders are required to pass the Texas Assessment of Knowledge and Skills (TAKS) reading test in order to be promoted to the fourth grade.
- Beginning in school year 2004-2005, fifth-graders are required to pass the TAKS reading and mathematics tests in order to be promoted to the sixth grade.
- Beginning in school year 2007-2008, eighth-graders are required to pass the TAKS reading and mathematics tests in order to be promoted to the ninth grade.

In all cases, students will have three opportunities to take the TAKS. If a student is unsuccessful at meeting the standard after three attempts, the campus Grade Placement Committee will address the student's needs. The student may be promoted to the next grade if the committee decides by unanimous vote that the student is likely to perform at grade level after accelerated instruction.

TEXTBOOKS

According to Texas Education Code § 31.104(c) each student, or the student's parent or guardian, is responsible for each state-owned textbook not returned by the student. A student who fails to return all textbooks forfeits the right to free textbooks until each textbook previously issued, but not returned, is paid for by the student, parent, or guardian.

Any book lost by a student must be paid for by that student before another book will be issued in its place. If a student or parent refuses to pay for a lost textbook, then no other textbooks may be issued to that student. A student must be provided the use of a classroom textbook, but may not take a textbook home until payment is provided.

In addition, each textbook, other than an electronic textbook, must be covered by the student under the direction of the teacher. Any damage to a textbook will require reimbursement of between 25% -100% of the cost of the textbook.

THREATS

The Board of Trustees and Administration take very seriously any threats made by a student toward another student, faculty member or staff member of the District. All threats will result in a disciplinary consequence. Threats regarding firearms, knives, bombs, or other weapons are especially disturbing and will result in severe consequences.

THEFT

No student shall take, steal or borrow any property that does not belong to him without the consent of the person to whom the property belongs. A person shall not, without the consent of the owner, damage or destroy property of the owner.

CODE OF CONDUCT and PARENT AND STUDENT HANDBOOK

School personnel are authorized to search lockers and cars parked on school premises any time there is reasonable ~~cause~~ **suspicion**. The possession, use, or threatened use, etc. (including any action or remark that indicate a concealed weapon is or may be in the student's possession) of articles not generally considered to be weapons may be prohibited when the principal or designee determines that a danger exists or is threatened to exist for any person or school property by virtue of possession, use or threatened use. Students who violate any part of this policy shall be expelled and referred for prosecution. Expulsion for firearm violations shall be for one calendar year. The Superintendent or designee may reduce the term at their discretion.

(b) The rights listed in this chapter are not exclusive. This chapter does not limit a parent's rights under other law.

(c) Unless otherwise provided by law, a board of trustees, administrator, educator, or other person may not limit parental rights.

(d) Each board of trustees shall provide for procedures to consider complaints that a parent's right has been denied.

Sec. 26.002. DEFINITION. In this chapter, "parent" includes a person standing in parental relation. Except as provided by federal law, all rights of a parent under Title 2 of this code and all educational rights under Section 151.003(a)(10), Family Code, shall be exercised by a student who is 18 years of age or older or whose disabilities of minority have been removed for general purposes under Chapter 31, Family Code, unless the student has been determined to be incompetent or the student's rights have been otherwise restricted by a court order.

Added by Acts 1995, 74th Leg., ch. 260, Sec. 1, eff. May 30, 1995. Amended by Acts 2001, 77th Leg., ch. 767, Sec. 10, eff. June 13, 2001.

(2) reasonable access to the school principal, or to a designated administrator with the authority to reassign a student, to request a change in the class or teacher to which the parent's child has been assigned, if the reassignment or change would not affect the assignment or reassignment of another student;

(3) request, with the expectation that the request will not be unreasonably denied:

(A) the addition of a specific academic class in the course of study of the parent's child in keeping with the required curriculum if sufficient interest is shown in the addition of the class to make it economically practical to offer the class;

(B) that the parent's child be permitted to attend a class for credit above the child's grade level, whether in the child's school or another school, unless the board or its designated representative expects that the child cannot perform satisfactorily in the class; or

(C) that the parent's child be permitted to graduate from high school earlier than the child would normally graduate, if the child completes each course required for graduation; and

(4) have a child who graduates early as provided by Subdivision (3)(C) participate in graduation ceremonies at the time the child graduates.

BACTERIAL MENINGITIS

WHAT IS MENINGITIS?

Meningitis is an inflammation of the covering of the brain and spinal cord. It can be caused by viruses, parasites, fungi, and bacteria. Viral meningitis is most common and the least serious. Bacterial meningitis is the most common form of serious bacterial infection with the potential for serious, long-term complications. It is an uncommon disease, but requires urgent treatment with antibiotics to prevent permanent damage or death.

WHAT ARE THE SYMPTOMS?

Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms. Children (over 1 year old) and adults with meningitis may have a severe headache, high temperature, vomiting, sensitivity to bright lights, neck stiffness or joint pains, and drowsiness or confusion. In both children and adults, there may be a rash of tiny, red-purple spots. These can occur anywhere on the body. The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.

HOW SERIOUS IS BACTERIAL MENINGITIS?

If it is diagnosed early and treated promptly, the majority of people make a complete recovery. In some cases it can be fatal or a person may be left with a permanent disability.

HOW IS BACTERIAL MENINGITIS SPREAD?

Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. The germs live naturally in the back of our noses and throats, but they do not live for long outside the body. They are spread when people exchange saliva (such as by kissing; sharing drinking containers, utensils, or cigarettes). The germ **does not** cause meningitis in most people. Instead, most people become **carriers** of the germ for days, weeks or even months. The bacteria rarely overcome the body's immune system and cause meningitis or another serious illness.

HOW CAN BACTERIAL MENINGITIS BE PREVENTED?

Do not share food, drinks, utensils, toothbrushes, or cigarettes. Limit the number of persons you kiss.

While there are vaccines for some other strains of bacterial meningitis, they are used only in special circumstances. These include when there is a disease outbreak in a community or for people traveling to a country where there is a high risk of getting the disease. Also, a vaccine is recommended by some groups for college students, particularly freshmen living in dorms or residence halls. The vaccine is safe and effective (85-90%). It can cause mild side effects, such as redness and pain at the injection site lasting up to two days. Immunity develops within 7 to 10 days after the vaccine is given and lasts for up to 5 years.

WHAT SHOULD YOU DO IF YOU THINK YOU OR A FRIEND MIGHT HAVE BACTERIAL MENINGITIS?

Seek prompt medical attention.

DR. JAMES VEITENHEIMER
SUPERINTENDENT OF SCHOOLS

Dear Parent:

On rare occasions it may become necessary to dismiss school early because of severe weather conditions, interruption of electrical or gas services, or other unforeseen emergency conditions. In such instances, every effort will be made to notify you by means of radio and television.

We sincerely hope it will not be necessary to have unscheduled early dismissals; however, it is desirable that we have a plan that will protect the best interests of your child. Therefore, please plan with your child as to what he/she is to do. For students in grades PK-8, please advise us of your plans by completing and returning the designated form that is included with forms at the end of the Student Code of Conduct. Students in grades 9-12 do not need to complete the form. However, be sure that you have agreed on a plan for this type of early dismissal.

Your assistance in this important matter will be appreciated.

Sincerely,

Dr. James Veitenheimer
