**Administrative Recommendation:**

That the Wichita Falls Independent School District Board of Trustees receive an update on our LIFT Grant as submitted by Cody Blair, Executive Director of Secondary Schools, and Jeff Hill, Executive Director of Elementary Schools, and as recommended by Dr. Donny Lee, Superintendent of Schools.

**Explanation:**

The LIFT (Leadership & Instructional Foundations in Texas) Grant application was approved in February, and our Board of Trustees approved Carnegie Learning as our provider in April. LIFT has two components, a) Bluebonnet math expansion for our middle school and high school Algebra 1, with deeper implementation for our middle schools, and b) PLC Supports for Fain and Cunningham Elementary. Carnegie wrote the original Bluebonnet math secondary curriculum and possess expertise to support and coach our teachers for expanded and deeper implementation. This is an update on our progress with Carnegie Learning including initial needs assessments, coordinating summer professional development sessions, and planning support for the 26/27 school year.

**Fiscal Note:**
