

2021-2022 CCS Seat-Based Parent/Guardian Survey Results June, 2022

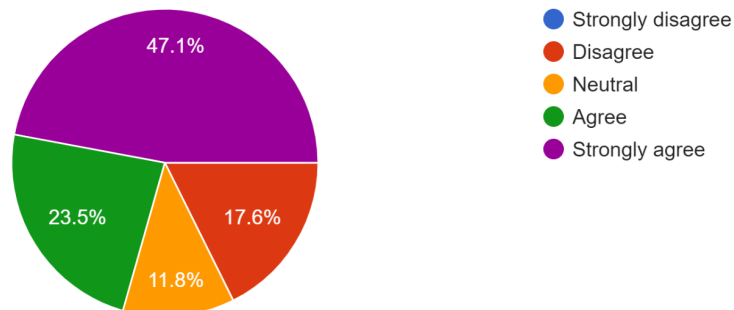

The school board and committees are working in the best interest of the students and CCS.
17 responses

I would describe CCS as a safe and orderly place.
17 responses

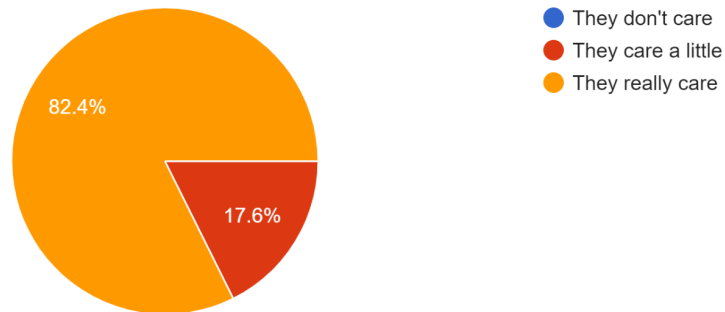

My student's teacher is accessible, responsive, and communicates appropriately
17 responses

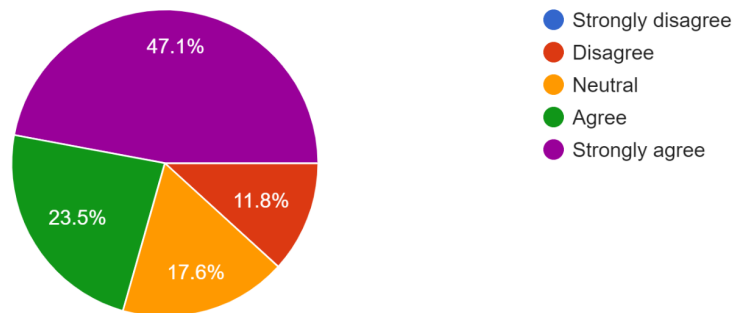

Someone at CCS cares about my student.

17 responses

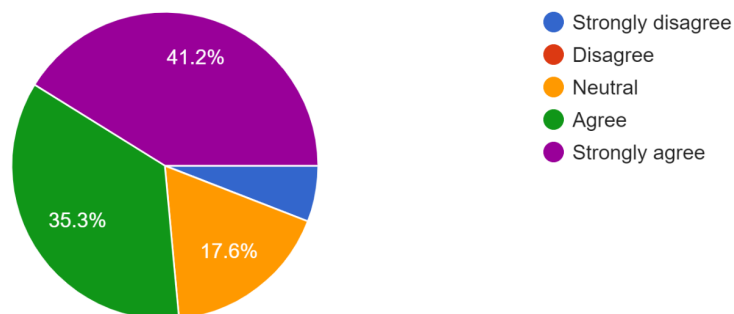

My student is well prepared for their next level of schooling through the curriculum, testing, and supplemental resources offered at CCS.

17 responses

My student has access to the tools and resources needed to be successful as a student.

17 responses

If no, what tools or resources does your student need?

The school counselor was very hard to get ahold of. She also said she would meet with my child and never did. She was supposed to get access of records from the other counselor my child sees, and was granted that. Then never followed up with any assessment or any help.

504

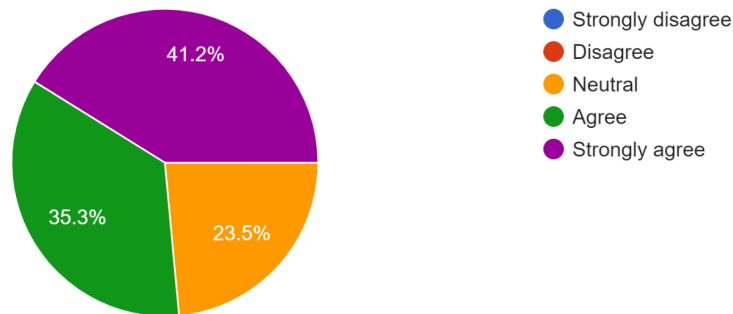

The homeroom teacher (Ms G) doesn't communicate well in that she doesn't answer emails within a few days or at all sometimes, we've not known about actual trips events unless informed by the office or other staff.

It's appalling that no safety drills were done until the last month of school. No active shooter drills. Nothing. Till end of school. How does that help keep our kids safe?

More enrichment opportunities.

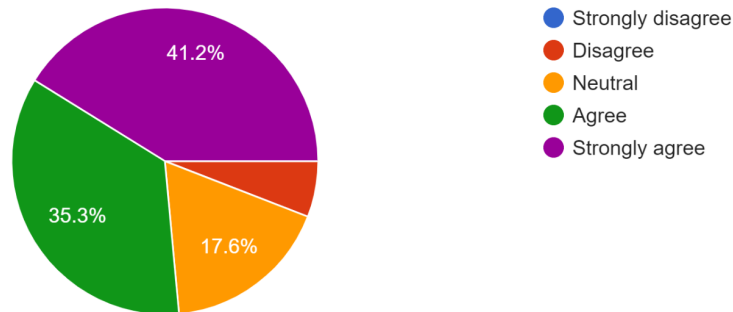

CCS is committed to learning and applying ideas to improve our community and environment.

17 responses

I would recommend CCS to other parents/guardians for their student(s).

17 responses

Which of the following fee-based programs would you be interested in for your student(s) if made available at CCS (After school care, Art, before school care, cooking, computer literacy, plants/gardening, crafts, recreational sports, world languages, others please list)

BEFORE SCHOOL CARE, AFTER SCHOOL CARE, CRAFTS, RECREATIONAL SPORTS

Art or Languages- including sign language

Art, plants/ gardening, crafts, baseball,

World Languages

After and before school care, summer care, plants and gardening, sports for all ages, in class program for grades 9-12.

Sports, after school care

Recreational sports, after school care

Art club, track, jazz or concert band, robotics, hiking

Recreational sports

Art

Art, languages, coding/IT programming, robotics, recreational sports

New parents/guardians only Why did you choose CCS for your student(s)?

FOR MORE INDIVIDUALIZED LEARNING

Small community school

I've heard great things about the school

The thing I like most about CCS is...

THE SUPPORT FOR HELPING MY CHILD BE SUCCESSFUL AND EXCITED ABOUT SCHOOL

It's small...more close connections.

The sense of community and love for our children

proximity, small size

The teaching style

The small class sizes

Small class sizes

Small family feels

Small class sizes and close to home

The staff genuinely cares about my child

Small enough that all the teachers get to know the students in all grades but also knowledgeable enough to challenge each student to their own level.

Teacher to student ratio

The care and attention my kids receive.

One thing I would like to change about CCS is...

IN CLASS LEARNING FOR ALL GRADES

None

Less daily computer time.

Getting a principle and teachers who aren't involved in all the politics. All students should be treated equally

focus on stronger academics

More supervision to prevent inappropriate behavior and maintain standards of behavior

More time for the kids to eat lunch, there are some days both my kids complain about there not being enough time to eat. Having a program for summer for kids to attend.

More communication. Very little with the teacher or school.

More extra curricular activities during or after school

Offering sports after school

Obviously big fish but in school seat based learning through 12th grade.

Attention to bullying policy/believing children reports

Lack of concern for children's safety by not teaching children safety in a timely manner

Increased opportunities for enrichment and advancement.

In what ways do you see your student(s) promoting the mission of CCS : "Growing environmentally literate, community impacting learners of excellence"?

Picking up trash

learner of excellence

They bring home conscientious points about recycling and composting.

She talks a lot more about the environment and is more aware of the importance of taking care of it.

Their attention to & love for our forest

My daughter loves roadside pickup.

How satisfied are you with Crosslake Community School's Education Program?
