Prepared for Board of Trustees Meeting September 24, 2024

Denton ISD Summer Learning Programs 2024 Report

Board Goal:

Teaching & Learning ...

- In pursuit of excellence the district will develop and maintain a culture where learning is our first priority.
- In pursuit of excellence the district will advocate and practice true accountability based on measurement of individual student progress over time regardless of external mandates.

Purpose of Report

The purpose of the report is to provide an overview of the Denton ISD instructional program opportunities offered during Summer 2024.

Objectives

The objectives of the report are to share descriptions of each program including the instructional focus; dates/times; program locations; number of students enrolled and benefits to students in each program.

Operational Impact

Summer programming is supported through the collaborative efforts of a wide variety of district departments, including curriculum and instruction, staff development, academic programs, transportation, child nutrition, EIS/technology, digital learning, facilities, and more.

The district will continue to be intentional in the development and offering of summer learning programs that provides impactful summer learning opportunities that allow students to stay engaged, avoid summer loss, prepare for the coming school year, accelerate learning, and/or re-learn essential concepts and standards.

Results

The board will better understand the ways in which student learning is supported through various programs throughout the summer.
