Hi Chris,

Thank you for reaching out to us! Here on our website is the information about our strategic planning process:

<https://www.forakergroup.org/connect-to-services/planning-structure/>.

The rate is \$265/hour for facilitation. Cost will include the facilitator's airfare and lodging for 1 or 2 nights. Travel expense are based on actuals instead of a per diem.

Please let me know if you'd like to connect with a facilitator to plan the dates.
