

STUDENT ASSESSMENT

The Board of Education shall, in compliance with law and rules of the State Board of Education, assess student achievement and needs in order to determine the progress of students and to assist them in attaining District goals.

Each student's proficiencies and needs will be assessed by staff members upon his/her entrance into the District and annually thereafter. Procedures for such assessments will include, but need not be limited to, teacher observation techniques, cumulative student records, student performance data collected through standard testing programs, student portfolios, and physical examinations.

The Superintendent shall develop a program of testing and assessment.
