RE: Textbook Adoptions

DATE: July 9, 2012

At the May 29 Board of Education, we brought forward two textbooks for review and adoption for the 2012-2013 school year. These texts are replacing much older editions and more accurately reflect current curriculum. Having had no questions or comments regarding these recommended materials, we ask that the Board approve the purchase of these materials.

The costs for these materials are as follows:

Heartsaver First Aid, CPR, AED Student Workbook - \$3863.17

Principles of Business - \$3205.80
