WHEREAS, pursuant to the provisions of Texas Government Code, Chapter 1207, as amended, the Board is authorized to issue refunding bonds and deposit the proceeds of sale directly with the place of payment for the Refunded Bonds, or other authorized depository, and such deposit, when made in accordance with said statute, shall constitute the making of firm banking and financial arrangements for the discharge and final payment of the Refunded Bonds; and

WHEREAS, the District shall by this Order, in accordance with the provisions of Texas Government Code, Section 1207.007, as amended, delegate to a Pricing Officer (hereafter designated) the authority to determine the principal amount of Bonds to be issued, to negotiate the terms of sale thereof and to select the specific maturities (whole or part) of the Refunded Bonds to be refunded; and

WHEREAS, the Board hereby finds and determines that it is a public purpose and in the best interests of the District to refund the Refunded Bonds in order to achieve present value savings, with such savings, among other information and terms, to be included in a pricing certificate (the "Pricing Certificate") to be executed by the Pricing Officer (hereafter designated), all in accordance with the provisions of Texas Government Code, Section 1207.007, as amended; now, therefore,

BE IT ORDERED BY THE BOARD OF TRUSTEES OF THE COPPELL INDEPENDENT SCHOOL DISTRICT:

SECTION 1: Authorization - Series Designation - Principal Amount - Purpose - Bond Date. Unlimited tax bonds of the District shall be and are hereby authorized to be issued in the maximum aggregate principal amount hereinafter set forth to be designated and bear the title "COPPELL INDEPENDENT SCHOOL DISTRICT UNLIMITED TAX REFUNDING BONDS, TAXABLE SERIES 2020A" (herein referred to as the "Bonds") for the purpose of (i) providing funds for the discharge and final payment of certain obligations of the District (identified in the preamble hereof and referred to as the "Refunded Bonds") and (ii) to pay the costs and expenses of issuance, in accordance with the authority conferred by and in conformity with the Constitution and laws of the State of Texas, including Texas Government Code, Chapter 1207, as amended. The Bonds shall be dated (the "Bond Date") as provided in the Pricing Certificate.

SECTION 2: Fully Registered Interest Paying/Non-Interest Paying Obligations - Terms. The Bonds shall be issued as fully registered obligations, without coupons, and as either or both "Current Interest Bonds" (obligations paying accrued interest to the holders or owners on and at

stated intervals prior to maturity) and "Capital Appreciation Bonds" (obligations paying no accrued interest to the holders or owners prior to maturity).

(a) Current Interest Bonds. Current Interest Bonds (other than the Initial Bonds referenced in Section 8 hereof) shall be in denominations of \$5,000 or any integral multiple (within a Stated Maturity [defined below]) thereof, shall be lettered "R" and numbered consecutively from One (1) upward and principal shall become due and payable on a date certain in each of the years and in amounts (each a "Stated Maturity" and collectively the "Stated Maturities") and bear interest at the rate(s) per annum in accordance with the details of the Current Interest Bonds as set forth in the Pricing Certificate.

Current Interest Bonds shall bear interest on the unpaid principal amounts from the date specified in the Pricing Certificate and at the rate(s) per annum shown in the Pricing Certificate (calculated on the basis of a 360-day year of twelve 30-day months). Interest on the Current Interest Bonds shall be payable on the dates, and commencing on the date, set forth in the Pricing Certificate.

(b) Capital Appreciation Bonds. Capital Appreciation Bonds (other than the Initial Bonds referenced in Section 8 hereof) shall each be issued in Maturity Amounts (the "Accreted Value" [as hereinafter defined] at maturity) of \$5,000, or any integral multiple thereof within a Stated Maturity, shall be lettered "CAB-" and numbered consecutively from One (1) upward, and the original principal amounts of the Capital Appreciation Bonds, shall accrue interest at the interest rate(s) stated in the Pricing Certificate, and shall become due and payable on a date certain in each of the years (each also defined as a "Stated Maturity" and collectively the "Stated Maturities") in the Maturity Amounts set forth in the Pricing Certificate.

Interest on the Capital Appreciation Bonds shall accrue from the date of delivery of the Bonds to the initial purchasers, and be compounded semiannually in each year on the dates (the "Compounding Dates"), and commencing on the date, set forth in the Pricing Certificate, until the Stated Maturity or earlier redemption thereof. The accrued interest on Capital Appreciation Bonds shall be payable at maturity or earlier redemption as a portion of the Maturity Amount or Accreted Value thereof.

The term "Accreted Value", as used herein with respect to Capital Appreciation Bonds, shall mean the original principal amount of a Capital Appreciation Bond, plus the initial premium, if any, paid therefor, with interest thereon compounded semiannually to the Compounding Date next preceding the date of such calculation (or the date of calculation, if such calculation is made on a Compounding Date), at the respective interest rates stated in the Pricing Certificate therefor and, with respect to each \$5,000 Accreted Value at maturity, as set forth in the Accreted Value table attached to the Pricing Certificate and in the Official Statement referred to in the Pricing Certificate. For any day other than a Compounding Date, the Accreted Value of a Capital Appreciation Bond shall be determined by a straight line interpolation between the values for the applicable semiannual Compounding Dates (based on 30-day months).

SECTION 3: Delegation of Authority to Pricing Officer.

(a) As authorized by Texas Government Code, Section 1207.007, as amended, each of the Superintendent of Schools or the Chief Financial Officer of the District (each a "Pricing Officer") is hereby authorized to act on behalf of the District in selling and delivering the Bonds and carrying out the other procedures specified in this Order, including, but not limited to, selecting the specific maturities (whole or part) of the Refunded Bonds to be refunded,

determining the aggregate original principal amount of the Bonds, the date of the Bonds, any different designation or title by which the Bonds shall be known, the price at which the Bonds will be sold, the manner of sale (negotiated, privately placed or competitively bid), the years in which the Bonds will mature, the principal amount to mature in each of such years, the rate of interest to be borne by each such maturity, the interest payment dates, the compounding dates, the price and terms upon and at which the Bonds shall be subject to redemption prior to maturity at the option of the District, as well as any mandatory sinking fund redemption provisions, the selection and appointment of the paying agent/registrars for the Bonds, the designation of an escrow agent satisfying the requirements of Chapter 1207, and all other matters relating to the issuance, sale, and delivery of the Bonds, including any modification of the Rule 15c2-12 continuing disclosure undertaking contained in Section 33 hereof, all of which shall be specified in the Pricing Certificate; provided that:

- (i) the aggregate original principal amount of the Bonds shall not exceed \$17,775,000;
- (ii) the refunding must produce a present value savings of at least 10%, net of any District contribution;
- (iii) the true interest cost rate of the Bonds shall not exceed 3.50%; and
- (iv) the maximum maturity date for the Bonds shall not exceed August 15, 2043.

(b) The delegation made hereby shall expire if not exercised by the Pricing Officer on or prior to 180 days from the date hereof. The execution of the Pricing Certificate shall evidence the sale date of the Bonds by the District to the initial purchaser(s) named in the Pricing Certificate (the "Purchasers").

SECTION 4: Terms of Payment - Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Bonds, due and payable by reason of maturity, redemption or otherwise, shall be payable only to the registered owners or holders of the Bonds (hereinafter called the "Holders") appearing on the registration and transfer books maintained by the Paying Agent/Registrar, and the payment thereof shall be in any coin or currency of the United States of America which, at the time of payment, is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders.

The selection and appointment of the Paying Agent/Registrar for the Bonds shall be as provided in the Pricing Certificate. Books and records relating to the registration, payment, exchange and transfer of the Bonds (the "Security Register") shall at all times be kept and maintained on behalf of the District by the Paying Agent/Registrar, all as provided herein, in accordance with the terms and provisions of a "Paying Agent/Registrar Agreement", substantially in the form attached hereto as **Exhibit A** and such reasonable rules and regulations as the Paying Agent/Registrar and the District may prescribe. The Pricing Officer is hereby authorized to execute and deliver such Paying Agent/Registrar Agreement in connection with the delivery of the Bonds. The District covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a commercial bank, trust company, financial institution, or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the District agrees to promptly cause a written notice thereof to be sent to each Holder by United States

Mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

The Maturity Amount of the Capital Appreciation Bonds and the principal of and premium, if any, on the Current Interest Bonds shall be payable at the Stated Maturities or on a date of earlier redemption thereof, only upon presentation and surrender of the Bonds to the Paying Agent/Registrar at its designated offices as provided in the Pricing Certificate (the "Designated Payment/Transfer Office"); provided, however, while a Current Interest Bond is registered to Cede & Co., the payment of principal upon a partial redemption of the principal amount thereof may be accomplished without presentation and surrender of such Bond. Interest accrued on a Capital Appreciation Bond shall be payable at its Stated Maturity as a portion of the Accreted Value or Maturity Amount. Interest on a Current Interest Bond shall be paid by the Paying Agent/Registrar to the Holder whose name appears in the Security Register at the close of business on the Record Date (as set forth in the Pricing Certificate), and such interest payments shall be made (i) by check sent United States Mail, first class postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. If the date for a payment of the principal of or interest (with respect to Current Interest Bonds) or Maturity Amount (with respect to Capital Appreciation Bonds) on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a nonpayment of interest on a scheduled payment date on the Current Interest Bonds, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the interest due and payable (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder of the Current Interest Bonds appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 5: Registration - Transfer - Exchange of Bonds - Predecessor Bonds. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each and every owner of the Bonds issued under and pursuant to the provisions of this Order, or if appropriate, the nominee thereof. Any Bond may be transferred or exchanged for Bonds of like kind (Current Interest Bonds or Capital Appreciation Bonds), maturity and amount and in authorized denominations by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender of any Bond (other than the Initial Bonds authorized in Section 8 hereof) for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar, one or more new Bonds shall be registered and issued to the assignee or transferee of the previous Holder; such Bonds to be in authorized denominations, of like Stated Maturity and of a like

aggregate principal amount (with respect to Current Interest Bonds) or Maturity Amount (with respect to Capital Appreciation Bonds) as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bonds authorized in Section 8 hereof) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount (with respect to Current Interest Bonds) or Maturity Amount (with respect to Capital Appreciation Bonds) as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds to the Holder requesting the exchange.

All Bonds issued in any transfer or exchange of Bonds shall be delivered to the Holders at the Designated Payment/Transfer Office of the Paying Agent/Registrar or sent by United States Mail, first class postage prepaid, to the Holders, and, upon the registration and delivery thereof, the same shall be the valid obligations of the District, evidencing the same obligation to pay and entitled to the same benefits under this Order, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds cancelled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered, and delivered in lieu thereof pursuant to the provisions of Section 11 hereof and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the District nor the Paying Agent/Registrar shall be required to issue or transfer to an assignee of a Holder any Bond called for redemption, in whole or in part, within forty-five (45) days of the date fixed for the redemption of such Bond; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION 6: Book-Entry-Only Transfers and Transactions. Notwithstanding the provisions contained in Sections 4 and 5 hereof relating to the payment and transfer/exchange of the Bonds, the District hereby approves and authorizes the use of "Book-Entry-Only" securities clearance, settlement, and transfer system provided by The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York ("DTC"), in accordance with the requirements and procedures identified in the current DTC Operational Arrangements memorandum, as amended, the Blanket Issuer Letter of Representations, by and between the District and DTC, and the Letter of Representations from the Paying Agent/Registrar to DTC (collectively, the "Depository Agreement") relating to the Bonds.

In the event the District elects to utilize DTC's "Book-Entry-Only" System, which election shall be made by the Pricing Officer in the Pricing Certificate, pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the "DTC Participants"). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general, the District covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar, and payment of such Bonds shall be made in accordance with the provisions of Sections 4 and 5 hereof.

SECTION 7: Execution - Registration. The Bonds shall be executed on behalf of the District by the President or Vice President of the Board under its seal reproduced or impressed thereon and attested by the Secretary of the Board. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the District on the date of adoption of this Order shall be deemed to be duly executed on behalf of the District, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in Texas Government Code, Chapter 1201, as amended.

No Bond shall be entitled to any right or benefit under this Order, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 9(c), manually executed by the Comptroller of Public Accounts of the State of Texas, or his or her duly authorized agent, or a certificate of registration substantially in the form provided in Section 9(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate duly signed upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered, and delivered.

SECTION 8: Initial Bonds. The Bonds herein authorized shall be initially issued as fully registered Bonds of the appropriate kind (Current Interest Bonds and Capital Appreciation Bonds) as specified in the Pricing Certificate, being (i) a single, fully registered Current Interest Bond in the aggregate principal amount noted and principal installments to become due and payable as provided in the Pricing Certificate and numbered TR-1, and (ii) a single, fully registered Capital Appreciation Bond in the aggregate Maturity Amount noted, and with installments of such Maturity Amount to become due and payable as provided, in the Pricing Certificate and numbered TCAB-1 (hereinafter called the "Initial Bonds") and the Initial Bonds shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bonds shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bonds, the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bonds delivered hereunder and exchange

therefor definitive Bonds of like kind and of authorized denominations, Stated Maturities, principal amounts (with respect to Current Interest Bonds) or Maturity Amounts (with respect to the Capital Appreciation Bonds) and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 9: Forms.

(a) Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Order and, with the Bonds to be completed and modified with the information set forth in the Pricing Certificate, may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including language pertaining to the Bonds being guaranteed by the Permanent School Fund and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the District or determined by the Pricing Officer. The Pricing Certificate shall set forth the final and controlling terms of the Bonds. Any portion of the text of any Bonds may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The definitive Bonds and the Initial Bonds shall be printed, lithographed, engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing such Bonds as evidenced by their execution.

(b) Form of Definitive Bonds.

All payments of principal of and interest on this Bond shall be without exchange or collection charges to the registered owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Offices of the Paying Agent/Registrar are located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$_____ (herein referred to as the "Bonds") for the purpose of providing funds for the discharge and final payment of certain obligations of the District and to pay the costs and expenses of issuance, under and in strict conformity with the Constitution and laws of the State of Texas, including Texas Government Code, Chapter 1207, as amended, and pursuant to an Order adopted by the Board of Trustees of the District (herein referred to as the "Order"). The Bonds are issued in part as "Current Interest Bonds", which total in principal amount \$_____ and pay accrued interest at stated intervals to registered owners and in part as "Capital Appreciation Bonds", which total in original principal amount \$_____ and pay no accrued interest prior to their Stated Maturities.

The Bonds maturing on the dates hereinafter identified (the "Term Bonds") are subject to mandatory redemption prior to maturity with funds on deposit in the Interest and Sinking Fund established and maintained for the payment thereof in the Order, and shall be redeemed in part prior to maturity at the price of par and accrued interest thereon to the date of redemption, and without premium, on the dates and in the principal amounts as follows:

* Stated Maturity.

The particular Term Bonds to be redeemed on each redemption date shall be chosen by lot by the Paying Agent/Registrar; provided, however, that the principal amount of Term Bonds for a Stated Maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the District, by the principal amount of Term Bonds of like maturity which, at least 50 days prior to a mandatory redemption date, (1) shall have been acquired by the District at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions appearing below and not theretofore credited against a mandatory redemption requirement.

The Bonds maturing on and after _____, 20__ may be redeemed prior to their Stated Maturities, at the option of the District, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected by lot by the Paying Agent/Registrar), on _____, 20__, or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

At least thirty (30) days prior to a redemption date, the District shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of the Bonds to be redeemed in whole or in part, and subject to the terms and provisions relating thereto contained in the Order. If a Bond (or any portion of its principal sum) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor, provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event a portion of the principal amount of a Bond is to be redeemed and the registered owner hereof is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of this Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Order for the then unredeemed balance of the principal sum thereof will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the District and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within 45 days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Order have been met and moneys sufficient to pay the

principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied or sufficient moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

The Bonds are payable from the proceeds of an ad valorem tax levied, without limit as to rate or amount, upon all taxable property in the District. Reference is hereby made to the Order, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all of the provisions of which the registered owner or holder of this Bond by the acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied for the payment of the Bonds; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Order may be amended or supplemented with or without the consent of the registered owners; the rights, duties, and obligations of the District and the Paying Agent/Registrar; the terms and provisions upon which this Bond may be discharged at or prior to its maturity, and deemed to be no longer Outstanding thereunder; and for other terms and provisions contained therein. Capitalized terms used herein have the meanings assigned in the Order.

This Bond, subject to certain limitations contained in the Order, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The District and the Paying Agent/Registrar, and any agent of either, shall treat the registered owner whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal at the Stated Maturity, or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the District nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of nonpayment of interest on a Bond on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each registered owner of a Bond appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented, and declared that the District is a body corporate and political subdivision duly organized and legally existing under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is duly authorized by

law; that all acts, conditions, and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the District have been properly done, have happened, and have been performed in regular and due time, form, and manner as required by the Constitution and laws of the State of Texas, and the Order; that the Bonds do not exceed any Constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by the levy of a tax as aforestated. In case any provision in this Bond shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Order shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the Board of Trustees of the District has caused this Bond to be duly executed under the official seal of the District.

Maturity Amount: _____ DOLLARS

The Coppell Independent School District (hereinafter referred to as the "District"), a body corporate and political subdivision in the County of Dallas, State of Texas, for value received, acknowledges itself indebted to and hereby promises to pay to the Registered Owner named above, or the registered assigns thereof, on the Stated Maturity date specified above, the Maturity Amount stated above (or so much thereof as shall not have been paid upon prior redemption). The Maturity Amount of this Bond represents the accretion of the original principal amount of this Bond (including the initial premium, if any, paid herefor) from the date of delivery to the initial purchasers to the Stated Maturity and such accretion in value occurring at the above Stated Yield and compounding on _____, and semiannually thereafter on _____ and _____. A table of the "Accreted Values" per \$5,000 "Accreted Value" at maturity is printed on this Bond or attached hereto. The term "Accreted Value", as used herein, means the original principal amount of this Bond plus the initial premium, if any, paid herefor with interest thereon compounded semiannually to _____ and _____, as the case may be, next preceding the date of such calculation (or the date of calculation, if such calculation is made on _____ or _____) at the Stated Yield for the Stated Maturity shown above and in the above referenced Table of Accreted Values. For any date other than _____ or _____, the Accreted Value of this Bond shall be determined by a straight line interpolation between the values for the applicable semiannual compounding dates (based on 30-day months). If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

The Accreted Value of this Bond is payable at its Stated Maturity or redemption to the registered owner hereof, upon presentation and surrender, at the Designated Payment/Transfer Office of the Paying Agent/Registrar executing the registration certificate appearing hereon, or its successor. Payment of the Maturity Amount or Accreted Value as of a redemption date of this Bond shall be without exchange or collection charges to the owner hereof and in any coin or

currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$_____ (herein referred to as the "Bonds") for the purpose of providing funds for the discharge and final payment of certain obligations of the District and to pay the costs and expenses of issuance, under and in strict conformity with the Constitution and laws of the State of Texas, including Texas Government Code, Chapter 1207, as amended, and pursuant to an Order adopted by the Board of Trustees of the District (herein referred to as the "Order"). The Bonds are issued in part as "Current Interest Bonds", which total in principal amount \$_____ and pay accrued interest at stated intervals to registered owners and in part as "Capital Appreciation Bonds", which total in original principal amount \$_____ and pay no accrued interest prior to their Stated Maturities.

The Bonds maturing on and after _____, 20__ may be redeemed prior to their Stated Maturities, at the option of the District, in whole or in part in Maturity Amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected by lot by the Paying Agent/Registrar), on _____, 20__, or on any date thereafter, at the redemption price of the Accreted Value (as determined and defined herein) as of the date of redemption.

At least thirty (30) days prior to a redemption date, the District shall cause a written notice to be sent by United States Mail, first class postage prepaid, to the registered owners of the Bonds to be redeemed, and subject to the terms and provisions relating thereto contained in the Order. If a Bond (or any portion of its Maturity Amount) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date such Bond (or the portion of its Maturity Amount to be redeemed) shall become due and payable, and shall cease to accrete in value from and after the redemption date, provided moneys for the payment of the redemption price to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event a portion of the Maturity Amount of a Bond is to be redeemed and the registered owner hereof is someone other than Cede & Co., payment of the redemption price shall be made to the registered owner only upon presentation and surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Order for the then unredeemed balance of the Maturity Amount thereof will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the District and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within 45 days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Order have been met and moneys sufficient to pay the redemption price of the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied or sufficient moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

The Bonds are payable from the proceeds of an ad valorem tax levied, without limit as to rate or amount, upon all taxable property in the District. Reference is hereby made to the Order, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all of the provisions of which the owner or holder of this Bond by the acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied for the payment of the Bonds; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Order may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the District and the Paying Agent/Registrar; the terms and provisions upon which this Bond may be discharged at or prior to its maturity and deemed to be no longer Outstanding thereunder; and for other terms and provisions contained therein. Capitalized terms used herein have the meanings assigned in the Order.

This Bond, subject to certain limitations contained in the Order, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, accruing interest at the same rate, and of the same aggregate Maturity Amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The District and the Paying Agent/Registrar, and any agent of either, shall treat the registered owner whose name appears on the Security Register (i) on the date of surrender of this Bond as the owner entitled to payment of the Maturity Amount at its Stated Maturity, or its redemption, in whole or in part, and (ii) on any other date as the owner for all other purposes, and neither the District nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.

It is hereby certified, recited, represented and declared that the District is a body corporate and political subdivision duly organized and legally existing under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is duly authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the District have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Order; that the Bonds do not exceed any Constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by the levy of a tax as aforesated. In case any provision in this Bond shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Order shall be construed in accordance with and shall be governed by the laws of the State of Texas.

The Coppel Independent School District (hereinafter referred to as the "District"), a body corporate and political subdivision in the County of Dallas, State of Texas, for value received, acknowledges itself indebted to and hereby promises to pay to the Registered Owner named above, or the registered assigns thereof, the aggregate Maturity Amount stated above on _____ in each of the years and in installments in accordance with the following schedule:

<u>Year of Maturity</u>	<u>Installment Maturity Amount</u>	<u>Stated Yield(s)</u>
-----------------------------	--	----------------------------

(Information to be inserted from the Pricing Certificate)

The respective installments of the Maturity Amount hereof represents the accretion of the original principal amounts of each year of maturity from the date of delivery to the initial purchasers (_____) to the respective years of maturity (including the initial premium, if any, paid by the initial purchasers) and such accretion in values occurring at the respective Stated Yields and compounding on _____, and semiannually thereafter on each _____ and _____. A table of the "Accreted Values" per \$5,000 "Accreted Value" at maturity is attached to this Bond. The term "Accreted Value", as used herein, means the original principal amount of this Bond plus premium, if any, paid herefor

with interest thereon compounded semiannually to _____ and _____, as the case may be, next preceding the date of such calculation (or the date of calculation, if such calculation is made on _____ or _____) at the respective Stated Yields shown above and in the Table of Accreted Values attached hereto. For any date other than _____ or _____, the Accreted Value of this Bond shall be determined by a straight line interpolation between the values for the applicable semiannual compounding dates (based on 30-day months). If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to be closed, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to be closed; and payment on such date shall have the same force and effect as if made on the original date payment was due.

The installments of the Maturity Amount of this Bond are payable in the years of maturity to the registered owner hereof, without exchange or collection charges, by _____, _____, _____ (the "Paying Agent/Registrar"), upon its presentation and surrender at its designated offices, initially in _____, _____, or, with respect to a successor paying agent/registrar, at the designated office of such successor (the "Designated Payment/Transfer Office"), and shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

SECTION 10: Levy of Taxes. To provide for the payment of Bonds, there is hereby levied, and there shall be annually assessed and collected in due time, form, and manner, a tax on all taxable property in the District, without limit as to rate or amount, sufficient to pay the principal of and interest on the Bonds as the same becomes due and payable; and such tax hereby levied on each one hundred dollars' valuation of taxable property in the District for the payment of the Bonds shall be at a rate from year to year as will be ample and sufficient to provide funds each year to pay the principal of and interest on said Bonds while Outstanding; full allowance being made for delinquencies and costs of collection; the taxes levied, assessed, and collected for and on account of the Bonds shall be accounted for separate and apart from all other funds of the District and shall be deposited in the "SPECIAL TAXABLE SERIES 2020A UNLIMITED TAX REFUNDING BOND FUND" (the "Interest and Sinking Fund") to be maintained at an official depository of the District's funds; and such tax hereby levied, and to be assessed and collected annually, is hereby pledged to the payment of the Bonds.

PROVIDED, however, in regard to the payment to become due on the Bonds prior to the tax delinquency date next following the annual assessment of taxes levied which next follows the Bond Date, sufficient current funds will be available and are hereby appropriated to make such payments; and proper officials of the District are hereby authorized and directed to transfer and deposit in the Interest and Sinking Fund such current funds which, together with the accrued interest received from the initial purchasers, will be sufficient to pay the payments due on the Bonds prior to the tax delinquency date next following the annual assessment of taxes levied which next follows the Bond Date.

The District represents that it currently receives state assistance, and to the extent the District's ability to comply with Texas Education Code, Section 45.0031, as amended, with respect to the issuance of the Bonds is contingent on such state assistance, the District covenants and agrees a tax rate will not be adopted for a year to pay debt service on the Bonds unless the District has deposited to the credit of the Interest and Sinking Fund the amount of

such state assistance received or to be received in that year and used in the demonstration to the Attorney General to comply with said Section 45.0031. Furthermore, in the event the District receives state assistance for the Bonds under Texas Education Code, Chapter 46, as amended, and while said Chapter 46 or any substitute program therefor requires such state assistance to be deposited to the Interest and Sinking Fund for the Bonds, the District covenants and agrees to deposit to the credit of the Interest and Sinking Fund the state assistance received by the District pursuant to Chapter 46, or any successor program, for the Bonds, and a tax rate for purposes of debt service shall be adopted that takes into account the balance of the Interest and Sinking Fund.

The President, Vice President and Secretary of the Board, the Superintendent of Schools and the Chief Financial Officer of the District, individually or jointly, are hereby authorized and directed to cause to be transferred to the Paying Agent/Registrar for the Bonds, from funds on deposit in the Interest and Sinking Fund, amounts sufficient to fully pay and discharge promptly each installment of interest and principal of the Bonds as the same accrues or matures or comes due by reason of redemption prior to maturity; such transfers of funds to be made in such manner as will cause collected funds to be deposited with the Paying Agent/Registrar on or before each principal and interest payment date for the Bonds.

SECTION 11: Mutilated, Destroyed, Lost and Stolen Bonds. In case any Bond shall be mutilated, or destroyed, lost, or stolen, the Paying Agent/Registrar may execute and deliver a replacement Bond of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Bond; and with respect to a lost, destroyed, or stolen Bond, a replacement Bond may be issued only upon the approval of the District and after (i) the filing by the Holder with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss, or theft of such Bond, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the District and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Bond shall be borne by the Holder of the Bond mutilated, or destroyed, lost, or stolen.

Every replacement Bond issued pursuant to this Section shall be a valid and binding obligation of the District, and shall be entitled to all the benefits of this Order equally and ratably with all other Outstanding Bonds; notwithstanding the enforceability of payment by anyone of the destroyed, lost, or stolen Bonds.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Bonds.

SECTION 12: Satisfaction of Obligation of District. If the District shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of and interest on the Bonds, at the times and in the manner stipulated in this Order, then the pledge of taxes levied under this Order and all covenants, agreements, and other obligations of the District to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Bonds or any principal amount(s) (with respect to Current Interest Bonds) and Maturity Amounts (with respect to Capital Appreciation Bonds) shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds at maturity or to the redemption date therefor, together with all interest

due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, and/or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have, in the case of a net defeasance, been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, to pay when due the Bonds on the Stated Maturities thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. In the event of a gross defeasance, the District shall deliver a certificate from its financial advisor, the Paying Agent/Registrar, or another qualified third party concerning the deposit of cash and/or Government Securities to pay, when due, the principal of, redemption premium, if any, and interest due on any defeased Bonds. The District covenants that no deposit of moneys or Government Securities will be made under this Section and no use made of any such deposit that would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section in excess of the amount required for the payment of the Bonds shall be remitted to the District or deposited as directed by the District. Furthermore, any money held by the Paying Agent/Registrar for the payment of the Bonds and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held in trust to pay shall upon the request of the District be remitted to the District against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the District shall be subject to any applicable unclaimed property laws of the State of Texas.

Unless otherwise provided in the Pricing Certificate, the term "Government Securities," as used herein, means (a) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America, (b) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date of their acquisition or purchase by the District, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date of their acquisition or purchase by the District, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, and (d) any other then authorized securities or obligations under applicable law that may be used to defease obligations such as the Bonds.

The District reserves the right, subject to satisfying the requirements of (i) and (ii) above, to substitute other Government Securities for the Government Securities originally deposited, to reinvest the uninvested moneys on deposit for such defeasance and to withdraw for the benefit of the District moneys in excess of the amount required for such defeasance.

Upon such deposit as described above, such Bonds shall no longer be regarded to be outstanding or unpaid. Provided, however, the District has reserved the option, to be exercised

at the time of the defeasance of the Bonds, to call for redemption, at an earlier date, those Bonds which have been defeased to their maturity date, if the District: (i) in the proceedings providing for the firm banking and financial arrangements, expressly reserves the right to call the Bonds for redemption; (ii) gives notice of the reservation of that right to the owners of the Bonds immediately following the making of the firm banking and financial arrangements; and (iii) directs that notice of the reservation be included in any redemption notices that it authorizes.

SECTION 13: Order a Contract - Amendments - Outstanding Bonds. This Order, together with the Pricing Certificate, shall constitute a contract with the Holders from time to time, be binding on the District, and shall not be amended or repealed by the District so long as any Bond remains Outstanding except as permitted in this Section and in Section 33 hereof. The District may, without the consent of or notice to any Holders, from time to time and at any time, amend this Order or any provision in the Pricing Certificate in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the District may, with the consent of Holders who own in the aggregate a majority of the principal amount (with respect to Current Interest Bonds) and Maturity Amount (with respect to Capital Appreciation Bonds) of the Bonds then Outstanding, amend, add to, or rescind any of the provisions of this Order or any provision in the Pricing Certificate; provided that, without the consent of all Holders of Outstanding Bonds, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount or Maturity Amount, as the case may be, thereof, the redemption price, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (2) give any preference to any Bond over any other Bond, or (3) reduce the aggregate principal amount or Maturity Amount, as the case may be, of Bonds required to be held by Holders for consent to any such amendment, addition, or rescission.

The term "Outstanding" when used in this Order with respect to each series of Bonds means, as of the date of determination, all Bonds within such series theretofore issued and delivered under this Order, except:

- (1) those Bonds within such series cancelled by the Paying Agent/Registrar or delivered to the Paying Agent/Registrar for cancellation;
- (2) those Bonds within such series deemed to be duly paid by the District in accordance with the provisions of Section 12 hereof; and
- (3) those mutilated, destroyed, lost, or stolen Bonds within such series which have been replaced with Bonds registered and delivered in lieu thereof as provided in Section 11 hereof.

SECTION 14: Sale of Bonds - Official Statement Approval. The Bonds authorized by this Order may be sold by the District to the purchaser(s) (herein referred to as the "Purchasers") by (i) negotiated sale, in accordance with a bond purchase agreement (the "Purchase Contract"), (ii) by private placement, in accordance with an agreement to purchase or other agreement, or (iii) by competitive bidding, in accordance with the successful bid submitted therefor, as determined by the Pricing Officer, in accordance with Section 3 hereof. The Pricing Officer is hereby authorized and directed to execute the Purchase Contract in the event of a negotiated sale, agreement to purchase in the event of a private placement, or the successful bid form in the event of a competitive sale, as applicable, for and on behalf of the District and as

the act and deed of the Board, and to make a determination as to whether the terms are in the District's best interests, which determination shall be final.

6. The details of the delivery of, and payment for, the Bonds;

9. Termination of the Purchase Contract;
10. Particular covenants of the District;

12. The payment of any expenses relating to the Purchase Contract;
13. Notices; and
14. Any and all such other details that are found by the Pricing Officer to be necessary and advisable for the purchase and sale of the Bonds.

The Pricing Officer is hereby authorized and directed to execute said Purchase Contract for and on behalf of the District and as the act and deed of the Board.

The Pricing Officer is further authorized and directed to execute and deliver for and on behalf of the District copies of a Preliminary Official Statement and Official Statement, prepared in connection with the offering of the Bonds by the Purchasers, in final form as may be required by the Purchasers, and such final Official Statement in the form and content as approved by the Pricing Officer shall be deemed to be approved by the Board and constitute the Official Statement authorized for distribution and use by the Purchasers.

SECTION 15: Refunded Bonds.

(a) In order to provide for the refunding, discharge, and retirement of the Refunded Bonds, the Refunded Bonds, identified, described, and in the amount set forth in the Pricing Certificate, are called for redemption on the first date such Refunded Bonds are subject to redemption or such other date specified by the Pricing Officer in the Pricing Certificate at the price of par plus accrued interest to the redemption date, and notices of such redemption shall be given in accordance with the applicable provisions of the order adopted by the Board, which authorized the issuance of the Refunded Bonds. The Pricing Officer is hereby authorized and directed to provide documentation, including a copy of this Order and the Pricing Certificate, to the paying agent/registrar for the Refunded Bonds, together with a suggested form of notice of redemption to be sent to bondholders, such suggested form of notice of redemption for the Refunded Bonds to be substantially the form set forth as an exhibit to the Pricing Certificate, in accordance with the redemption provisions applicable to the Refunded Bonds.

(b) The paying agent/registrant for Refunded Bonds is hereby directed to provide the appropriate notice of redemption as required by the order authorizing the Refunded Bonds and is hereby directed to make appropriate arrangements so that the Refunded Bonds may be redeemed on the redemption date, including making a lot selection with respect to the redemption of any partial maturities of the Refunded Bonds.

(c) The source of funds for payment of the principal of and interest on the Refunded Bonds on their respective maturity or redemption dates shall be from the funds deposited with the paying agent/registrant for the Refunded Bonds or the Escrow Agent pursuant to the provisions of Chapter 1207 of the Texas Government Code, as amended, this Order and the Pricing Certificate.

SECTION 16: Escrow Agreement. An "Escrow Agreement (the "Escrow Agreement") by and between the District and an authorized escrow agent (the "Escrow Agent"), if any such agreement is required in connection with the issuance of the Bonds, shall be attached to the Pricing Certificate. Such Escrow Agreement is hereby authorized to be finalized and executed by the Pricing Officer for and on behalf of the District and as the act and deed of this Board; and such Escrow Agreement as executed by said Pricing Officer shall be deemed approved by the Board and constitute the Escrow Agreement herein approved. With regard to the finalization of certain terms and provisions of said Escrow Agreement, a Pricing Officer is hereby authorized to come to an agreement with the Escrow Agent on the following details, among other matters:

1. The identification of the Refunded Bonds;
2. The creation and funding of the Escrow Fund; and
3. The Escrow Agent's compensation, administration of the Escrow Fund, and the settlement of any paying agents' charges relating to the Refunded Bonds.

Furthermore, appropriate officials of the District in cooperation with the Escrow Agent are hereby authorized and directed to make the necessary arrangements for the purchase of the escrowed securities referenced in the Escrow Agreement (the "Escrowed Securities") and the delivery thereof to the Escrow Agent on the day of delivery of the Bonds to the Purchasers for deposit to the credit of the "COPPELL INDEPENDENT SCHOOL DISTRICT TAXABLE SERIES 2020A UNLIMITED TAX REFUNDING BOND ESCROW FUND" (referred to herein as the "Escrow Fund"), or such other designation as specified in the Pricing Certificate; all as contemplated and provided in Texas Government Code, Chapter 1207, as amended, this Order, the Pricing Certificate, and the Escrow Agreement. At the written direction of the District, the Escrow Agent shall reinvest cash balances representing receipts from the Escrowed Securities, make substitutions of the Escrowed Securities or redeem the Escrowed Securities and reinvest the proceeds thereof in substituted Escrowed Securities and enter into any associated contract with a provider of Escrowed Securities as long as any such substituted Escrowed Securities mature on the dates and in the amounts specified in the Verification Report as sufficient to pay the principal of and redemption premium, if any, and interest on the Refunded Bonds when due. All Escrowed Securities delivered under such an arrangement shall be delivered to the Escrow Agent on a "delivery versus payment" basis. To the extent the Pricing Officer determines such an arrangement is in the District's best interest, the Pricing Officer is authorized to provide such written direction of the District to the Escrow Agent and sign any associated contract, agreement, certificate or instruction letter with respect to such arrangement from time to time.

SECTION 17: Control and Custody of Bonds. The President or Vice President of the Board shall be and is hereby authorized to take and have charge of all necessary orders and records, including the definitive Bonds and the Initial Bonds, pending the investigation and approval of the Initial Bonds by the Attorney General of the State of Texas, and the registration of the Initial Bonds to the Comptroller of Public Accounts and the delivery thereof to the Purchasers.

SECTION 18: Proceeds of Sale. Immediately following the delivery of the Bonds, the proceeds of sale (less those proceeds of sale designated to pay costs of issuance and accrued interest received from the Purchasers of the Bonds) shall be deposited with the Escrow Agent for application and disbursement in accordance with the provisions of the Escrow Agreement or deposited with the paying agent/registrar for the Refunded Bonds for the payment and redemption of the Refunded Bonds. The proceeds of sale of the Bonds not so deposited with the Escrow Agent (or the paying agent/registrar for the Refunded Bonds) shall be disbursed for payment of costs of issuance or deposited in the Interest and Sinking Fund for the Bonds, all in accordance with written instructions from the District or its Financial Advisor.

Additionally, the Pricing Officer shall determine the amount of any District contribution to the refunding from moneys on deposit in the interest and sinking funds maintained for the payment of the Refunded Bonds.

SECTION 19: Notices to Holders - Waiver. Wherever this Order or the Pricing Certificate provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States Mail, first class postage prepaid, to the address of each Holder appearing in the Security Register at the close of business on the business day next preceding the mailing of such notice.

In any case in which notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Order or the Pricing Certificate provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 20: Cancellation. All Bonds surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly cancelled by it and, if surrendered to the District, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. The District may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered which the District may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Bonds held by the Paying Agent/Registrar shall be returned to the District.

SECTION 21: Bond Counsel Opinion. The obligation of the Purchasers to accept delivery of the Bonds is subject to being furnished a final opinion of Norton Rose Fulbright US LLP, Attorneys, Dallas, Texas, approving the Bonds as to their validity, said opinion to be dated and delivered as of the date of delivery and payment for the Bonds. A true and correct reproduction of said opinion is hereby authorized to be printed on the Bonds, or an executed

counterpart thereof is hereby authorized to be either printed on definitive printed obligations or deposited with DTC along with the global certificates for the implementation and use of the Book-Entry-Only System used in the settlement and transfer of the Bonds. The Board confirms Norton Rose Fulbright US LLP as the District's bond counsel.

SECTION 22: CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Bonds shall be of no significance or effect as regards the legality thereof, and neither the District nor attorneys approving the Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Bonds.

SECTION 23: Further Procedures. Any one or more of the President, Vice President and Secretary of the Board, the Superintendent of Schools and the Chief Financial Officer of the District are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and on behalf of the District all agreements, instruments, certificates or other documents, whether mentioned herein or not, as may be necessary or desirable in order to carry out the terms and provisions of this Order and the issuance of the Bonds. In addition, prior to the initial delivery of the Bonds, the President, Vice President and Secretary of the Board, the Superintendent of Schools, the Chief Financial Officer of the District or Bond Counsel to the District are each hereby authorized and directed to approve any technical changes or corrections to this Order or to any of the documents authorized and approved by this Order: (i) in order to cure any technical ambiguity, formal defect, or omission in this Order or such other document; or (ii) as requested by the Attorney General of the State of Texas or his representative to obtain the approval of the Bonds by the Attorney General and if such officer or counsel determines that such ministerial changes are consistent with the intent and purpose of this Order, which determination shall be final. In the event that any officer of the District whose signature shall appear on any document shall cease to be such officer before the delivery of such document, such signature nevertheless shall be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 24: Benefits of Order. Nothing in this Order or the Pricing Certificate, expressed or implied, is intended or shall be construed to confer upon any person other than the District, the Paying Agent/Registrar and the Holders, any right, remedy or claim, legal or equitable, under or by reason of this Order or the Pricing Certificate or any provision hereof, this Order and the Pricing Certificate and all their provisions being intended to be and being for the sole and exclusive benefit of the District, the Paying Agent/Registrar, and the Holders.

SECTION 25: Inconsistent Provisions. All orders or resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order or the Pricing Certificate are hereby repealed to the extent of such conflict, and the provisions of this Order shall be and remain controlling as to the matters contained herein.

SECTION 26: Governing Law. This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 27: Effect of Headings. The Section headings herein are for convenience of reference only and shall not affect the construction hereof.

SECTION 28: Construction of Terms. If appropriate in the context of this Order, words of the singular number shall be considered to include the plural, words of the plural number shall

be considered to include the singular, and words of the masculine, feminine, or neuter gender shall be considered to include the other genders.

SECTION 29: Severability. If any provision of this Order or the application thereof to any circumstance shall be held to be invalid, the remainder of this Order and the application thereof to other circumstances shall nevertheless be valid, and the Board hereby declares that this Order would have been enacted without such invalid provision.

SECTION 30: Incorporation of Findings and Determinations. The findings and determinations of the Board contained in the preamble hereof are hereby incorporated by reference and made a part of this Order for all purposes as if the same were restated in full in this Section.

SECTION 31: Bond Insurance. The Bonds may be sold with the principal of and interest thereon being insured by a municipal bond insurance provider authorized to transact business in the State of Texas. The Pricing Officer is hereby authorized to make the selection of municipal bond insurance (if any) for the Bonds and make the determination of the provisions of any commitment therefor.

SECTION 32: Credit Enhancement. The Bonds may be sold with credit enhancement pursuant to the bond intercept credit enhancement program, Section 45.251, et seq., Texas Education Code. The Pricing Officer is hereby authorized to determine whether to make application for such credit enhancement.

SECTION 33: Continuing Disclosure Undertaking. This Section shall apply unless the Pricing Officer determines in the Pricing Certificate that an undertaking is not required pursuant to the Rule (defined below).

(a) Definitions. As used in this Section, the following terms have the meanings ascribed to such terms below:

If the audit of such financial statements is not complete within twelve (12) months after any such fiscal year end, then the District shall file unaudited financial statements within such twelve-month period and audited financial statements for the applicable fiscal year, when and if the audit report on such statements becomes available.

If the District changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the District otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on the MSRB's Internet Web site or filed with the SEC.

For these purposes, (a) any event described in the immediately preceding paragraph (c)(12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the District in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District, and (b) the District intends the words used in the immediately preceding paragraphs (15) and (16) and the definition of Financial Obligation in this Section to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018.

The District shall notify the MSRB, in a timely manner, of any failure by the District to provide financial information or operating data in accordance with subsection (b) of this Section by the time required by this Section.

(d) Filings with the MSRB. All financial information, operating data, financial statements, notices, and other documents provided to the MSRB in accordance with this Section shall be provided in an electronic format prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB.

(e) Limitations, Disclaimers, and Amendments. The District shall be obligated to observe and perform the covenants specified in this Section with respect to the District and the Bonds while, but only while, the District remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the District in any event will give notice required by subsection (c) hereof of any Bond calls and defeasance that cause the District to be no longer such an "obligated person".

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the financial results, condition, or prospects of the District or the State of Texas or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR *MANDAMUS* OR SPECIFIC PERFORMANCE.

No default by the District in observing or performing its obligations under this Section shall constitute a breach of or default under this Order for purposes of any other provision of this Order.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

Notwithstanding anything herein to the contrary, the provisions of this Section may be amended by the District from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a Person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the District if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the District's right to do so would not prevent an underwriter of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the District so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

SECTION 34: Permanent School Fund Guarantee. The Bonds may be sold with the principal of and interest thereon being guaranteed by the "Permanent School Fund" created, established and maintained pursuant to Article VII, Section 5 of the Constitution of the State of Texas. The Pricing Officer is hereby authorized to determine whether to make application to the Commissioners of Education of the State of Texas (the "Commissioner") for the Bonds to be, subject to compliance with the Texas Education Agency's rules and regulations, guaranteed by the Permanent School Fund in accordance with the provisions of Texas Education Code, Subchapter C of Chapter 45, as amended.

In the event the Pricing Officer makes application to, and the District receives approval from, the Texas Education Agency that the Bonds are eligible for such guarantee, the District hereby certifies, agrees, covenants and acknowledges that:

(i) Immediately following a determination of the District's inability to pay any principal payment or interest installment, on the Bonds, and in no event later than five (5) days prior to a Stated Maturity or interest payment date, the Superintendent shall notify the Commissioner, in the name of the District, of (a) the District's inability to pay, all or any portion, of the principal amount or interest installment of one or more Bonds, (b) the total dollar amount of funds required by the District to pay in full the principal of and interest on the Bonds which the District is unable to pay, (c) the name and address of the Paying Agent/Registrar for the Bonds, (d) the date when funds for the payment of the Bonds or interest thereon shall be required by the District and deposited with the Paying Agent/Registrar and (e) such other information as the Commissioner shall require.

(ii) Any notices to be given to the Holders hereunder shall additionally be given to the Commissioner, when and as mailed to the Holders.

(iii) If the District fails to pay the principal of and interest on any Bond and the payment thereof is provided with funds from the Permanent School Fund in accordance with the guarantee, the provisions of Section 45.059(b) of the Texas Education Code shall prevail, to the extent of conflict, over the provisions of Section 20 hereof, and such amount or amounts paid with funds from the Permanent School Fund, plus interest on such amount or amounts, shall be deducted from the first State money payable to the District in the following order: first from the Foundation School Fund and then from the Available School Fund until full reimbursement of such amount or amounts has been made to the Permanent School Fund.

(iv) If two or more payments from the Permanent School Fund are made pursuant to the guarantee and the Commissioner determines the District is acting in bad faith under the guarantee, the Attorney General of the State of Texas may institute appropriate legal action to compel the District and its officers, agents and employees to comply with the duties required by law in regard to the Bonds.

(v) Written notice advising of the defeasance of the Bonds by a refunding or otherwise shall be given to the Division of State Finance of the Texas Education Agency within ten (10) calendar days following the defeasance of the Bonds, and such defeasance shall cause the guarantee of the Bonds by the Permanent School Fund to be removed in its entirety and terminated in all respects.

SECTION 35: Public Meeting. It is officially found, determined, and declared that the meeting at which this Order is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Order, was given, all as required by Texas Government Code, Chapter 551, as amended.
