| | | | | | | | |
|--|--|--|----------|----------|--|------------------------------------|---|
| Years 5-7: Monitor, Evaluate, Revise <ul style="list-style-type: none"> • Update unit expectations • Review classroom based data/ performance task • Continue professional development | | K-5 Math <i>(Investigations in Number, Data, and Space 3 renewed)</i> | K-5 Math | K-5 Math | K-5 Math 2-8 Science/STEM 8 th Grade ATP Math K-4 SEL* | K-5 Math 5-8 Social Studies | 6-8 Math K-8 PE/Health K-4 Social Studies |
|--|--|--|----------|----------|--|------------------------------------|---|

Note: Pre-Kindergarten curricula are reviewed annually and modifications are made as needed to support enrolled students. Thematic units are rotated on a two year cycle and utilize the *Tools of the Mind* and the *High Scopes* curriculum.

*K-4 SEL has not followed the traditional adoption cycle in order to address the urgency related to current need

**Senate Bill 2243 would amend the School Code requiring the Illinois State Board of Education “to develop and adopt a comprehensive literacy plan on or before January 31, 2024.”
