

Terrell Independent School District

Executive Summary Report

Date	District Guiding Pillar	
March 30, 2026	Goal 1: Student Achievement: Accelerate student learning to dramatically increase the number of students who perform on or above grade level.	

Agenda Item: Consider Approval of the 2026-2027 Texas Essential Knowledge & Skills (TEKS) Certification

Summary:

Academic excellence and compliance with state regulations, school districts are required to complete a TEKS Certification form yearly. This form serves as a formal affirmation to the Texas Education Agency that our instructional materials are aligned with the Texas Essential Knowledge and Skills (TEKS) across all grade levels and subject areas. By submitting this certification, we ensure that every student in Terrell ISD has access to instructional materials and a scope and sequence that meet the rigorous standards established by the state.

Terrell ISD recommends that the Board approve the TEKS Certification for 2026-2027.
