

## Elementary School Board Report

Monday, May 18, 2026

Eric J. Ose, MAES Principal

### This Past Month:

- We wrapped up MCA testing for the year.
- I met with MATA representatives regarding class sizes for the upcoming school year.
- We hired a special education teacher
- 4th grade did a swimming unit at RFC pools April 27-May 1
- The MAES library hosted an author visit, May 8.
- Classroom teachers began the work of creating balanced class lists for the upcoming school year.
- 5th and 6th grades took field trips to Twin Cities.
- Teachers who will relocate to the new addition have begun moving items into their new classrooms.

---

### Coming Up:

- Many classes are taking advantage of the warmer weather and doing outdoor field trips and activities.
- The elementary office will be “packing up” for a temporary move to Pod A and eventual relocation to the new office with safe and secure entrance.
- We will be conducting interviews for MAES Office Manager position.
- Major goal for the summer will be getting furnishing set up in new addition and clearing unused furnishings out of the air handling room and ready for sale.

---

Respectfully submitted,

**Eric J. Ose**

MAES Principal
