Gwen Porter, Superintendent

Dave Riebel, PreKdg - 5 Principal

Cory Hanson, 6-12 Principal

Priority 1: Student Success

- Congratulations to the Class of 2026 on graduating. We had 49 students walk in the ceremony on May 22. Thank you to all that attended and for the help of the senior advisors and office staff for work setting things up. Best of luck to all of the graduates on their future endeavors.
- Congratulations to all of our spring sports coaches and athletes on strong seasons. Baseball and softball both moved on in their respective section games, but fell short of making it to state. Track sent six students to sections, but we did not make the top two in any event. Golf had a strong showing at sections but no athletes moved on to state. Thank you to all of our volunteers and supporters for the spring season.

Priority 2: Effective Staffing

- We are currently interviewing for a number of sports, paraprofessionals, and a math teacher.
- Thank you to the high school staff that will be completing their Read Act training. We have three meetings over the summer and 8 modules to complete along with assessments. There are six teachers and I that will be completing training.

Priority 3: Finance

- The Winona Area Chamber of Commerce is donating \$1 of each dairy bucket sold to the Lewiston-Altura FFA. Buckets are on sale now with pickup on June 30.
 - To purchase a dairy bucket use this link: [Winona Area Chamber of Commerce Dairy Bucket](#)
- Thank you to the Booster Club for donating to rent St. John's gym for summer practice and for supporting a weight room supervisor.
- Thank you to the Crossing Center for donating weight room access upon completion of their new facility.

Priority 4: Facilities

- Thank you to the office staff and Dashir for their help emptying the office and additional moving. Thank you to teachers for having everything ready to be moved.

Priority 5: Community Engagement

- Our goal is to update Facebook weekly (Thursdays) throughout the summer with progress reports and pictures.
- Thank you to St. John's for agreeing to host ESY and to HVED for allowing us to send a few high school students for summer school.

Upcoming events:

students to the district.

September 14 – 1st Day of School for all 6th and 9th grade students and new
