The Greetings,

Thank you for submitting a FOIA request. In your request you asked for "Any documentation to reflect any Social Media activity (i.e. Facebook posts/messages) by any employee whether on District Servers or not over the last 6 months regarding the Village of Willow Springs upcoming election."

We do not monitor our staff's social media account or their activity on private social media outlets. Therefore we do not have access to the information you seek. In reference to our district Facebook Page or Twitter account, these are public sites and can be searched independently. Again, thank you for your request.

Respectfully,
Dave Palzet
