RE: Contract Award Recommendation for Construction Bids
Johnson Upper Elementary School/Holmes Middle School

Dear Ms. Abbey:

This letter transmits an update from Plante Moran Cresa (PMC) as it relates to the assignment to assist and advise Livonia Public Schools (LPS) in its selection of Prime Contractors for the Projects listed above. This update represents the mutual efforts of PMC, Barton Malow, Stantec, LPS administration and staff (the Bond Team) to present a framework in order to identify, evaluate and recommend Prime Contractor firms for this Project.

In December 2015, Construction Documents were formally issued and made available. An advertisement for bids was published in a local newspaper and also posted to the required State of Michigan websites.

On January 19, 2016, 44 bid proposals were received, and over the next several days were reviewed to determine the budget implications. Interviews were held over the next week and were attended by various members of the Bond Team.

Upon completion of the interviews, and after subsequent clarifications and discussions, the Bond Team is recommending the firms listed in Barton Malow's Award Recommendation Letter dated January 28, 2016 for contract award. Including hard construction, CM fees and costs, and construction contingency dollars, the total Project award recommendation equals \$12,375,823. This does not include any Alternates at this time.

For the Prime Contractors, the costs for this work will be detailed in AIA Contract A132 – 2009 Standard Form of Agreement between Owner and Contractor. The CM costs and fees will be detailed in Amendment #05 to AIA – C132 – 2009 Standard Form of Agreement between Owner and Construction Manager, both pending final review and approval by district legal counsel.

The Project Team is available at the Board's convenience to answer any questions regarding bidding, the proposals, interview process, or the recommendations of the Bond Team. Please direct all questions through me via email.

Sincerely,

PLANTE MORAN CRESA

This project was advertised in the local paper and state website during the months of December 2015 and January 2016. Forty-four bids from 42 different companies were received on Tuesday, January 19, 2016 at 12:00 p.m.; however, four of those were late and were not opened. The project consists of interior renovations to Johnson Upper Elementary School. None of the alternates are being recommended at this time. The contractors listed above are the low qualified bidders. The intent is to award the contractors that are common to both Johnson and Holmes as single combined contracts to those contractors.

The projects will begin this spring and will be complete in the fall of 2016. This award recommendation is within the 2013 Bond Issue Program. A bid summary and bid tabulation sheets are attached for review.
