

Costa Rican Adventure Trip

March 18th-26, 2023

Parent/Student Meeting
Thursday October 13
Wausau West HS Room 220 at 4:30 p.m.

The Outdoor Adventure Club led by Mrs. Gerstenberger is planning another global adventure trip. This trip during Spring Break of 2023 will include adventures that are once in a lifetime opportunity for your child. **Global** learning encourages awareness and critical thinking about issues. It takes information learned in the classroom to the outside world. It provides an authentic experience with practicing Spanish with Costa Rican families and learning about their food and culture. We will stay at World Class Lodges in the Mountains, go rafting on one of the most scenic rivers in the world and zip line across rivers and jungles. Students will experience up close and personal tropical wildlife through jungle hikes. One day we will volunteer at a rehabilitation center for different animals which include monkeys, sloths and more. Part of our trip will be spent on the Caribbean Coast where we will snorkel and learn about ocean species.

*There is a Parent/Student sign up meeting Thursday October 13 in room 220 at 4:30 p.m. At this meeting we will go over the following:

- Details of the trip
- How to sign up
- Fundraiser opportunities
- Q/A time
- The first 10 students to sign up for the trip will enter into a drawing for a free Eddie Bauer backpack and two students will receive a \$50 scholarship.

If you have any questions and cannot attend the meeting, please contact Mrs. Gerstenberger at Wausau West or email cgersten@wausauschools.org.

There is a limited number of spaces available so see Mrs. Gerstenberger as soon as possible.
