ACTION

Background Information:

In August 2015, the district signed the agreement with Eligibility Tracking Calculators, LLC to provide services to assist River Road ISD with the guidance, tracking and compliance with healthcare reform laws under the Affordable Care Act. This renewal will be for the year of 2017 so ETC will continue to provide the service of issuing the 1095-C forms to the employees and completing the 1094-C form and filing the information with the Internal Revenue Service. ETC will continue to represent the district in all HHS and IRS appeals as needed.

The cost for ETC services will remain the same as last year. The fee is calculated at \$1.05 per employee for 226 estimated employees for a total of \$225.44 but we receive a 5% discount for using the ACH payment option.

Board Action Required:

I make the motion that the Board approve the renewal of the ETC agreement and authorize Andy Nies, Assistant Superintendent of Operations to sign the renewal agreement.
