Information-Public Hearing

BACKGROUND INFORMATION:

A brief informational hearing will be held on the School Improvement Plan (SIP) that we are required to submit to the Texas Education Agency. This requirement is due to the fact that AC Jones High School was rated academically unacceptable for school year 2009-2010. The plan was developed by the staff at AC Jones High School. Periodically during the year we will submit progress reports on the implementation of SIP to TEA. The School Improvement Plan is posted on the Internet at <http://dci.beevilleisd.net/board.htm>. The plan is posted in both the TEA format and as a power point, which is easier to read.
