

**LIVONIA PUBLIC SCHOOLS
BOARD OF EDUCATION MEETING
May 15, 2017**

ITEM: VI.A.

TOPIC: Approval to Purchase Computers for Livonia Career Technical Center

RECOMMENDATION:

Move that the Board of Education of the Livonia Public Schools School District approve the purchase of 28 HP Z240 computers, 28 twenty-two inch monitors, and additional memory for Livonia Career Technical Center, in the amount of \$49,308.

RATIONALE:

These computers will replace the computers currently being used by students in the Website Design and Interactive Media class and the Mobile Applications and Game Design Development class. The new equipment will provide students with quality, up-to-date technology, capable of running the virtual reality and 3-D software used in the industry today.

BUDGETARY INFORMATION:

This will be funded by the CTE Added-cost funds for 2016-17.
