### Introductions

### Review of our Purpose, ORS-329.704

### School Safety:

- Christmas Break, ventilation for Radon begins.
- Ramps, pier blocks to be addressed. Will report to District Maintenance
- Sprinklers on the field that appear to be damaged or sticking up, can cause damage
- Safety maintenance, chain link mended.
- Doors on Title Building, TBA
- The Great Shake Out, October 20th (earthquake drill)

### Instruction/Academic Data:

- Enrollment- 371 on-site, 10 online= 381
- Title Update: We started 34 Double Dose Reading groups on campus on September 26th. Things have been going well and groups are running smoothly. Tammi has been teaching side by side with the new assistants to make sure they are comfortable teaching the curriculum and have strategies for working with their groups effectively. We are losing a Title assistant at the end of this week. That will affect some groups, so we are working to fill that position ASAP. Tammi can sub 2 of them until we hire someone and we're working on a temporary fix for a 3rd.
- With our Progress Reports coming up, the Title team has been helping to reassess certain measures where students scored in the Intensive or Strategic range. We want to get current data to teachers for those reports.
- The current round of intervention groups will run until November 17th. We will do some minor modifications at that time, based on each child's progress, then resume groups after Thanksgiving.
- Boys and Girls Club (Jenna Larkin) 50 students (average 26 daily/ goal is 30). Trying to get the word out that we are up and running. Sports season and 21st Century seems to be the biggest obstacle to numbers. \*Signage in pick up area.

- Basketball, sign up- November 1st. Will begin after Christmas break. (K-8)

### **Professional Development**

- Current Ongoing PDs: Math Fact Fluency introduced to First and Second, Professional Learning Community Focus (math), off campus and on campus opportunities to observe colleagues.
- Are there PDs for classroom management- PAX/ Kagan to support all the new teachers?

- TVOS will continue for the 22-23 school year (10 enrolled)
