**MAHTOMEDI PUBLIC SCHOOLS**  
**SCHOOL BOARD APPOINTMENT QUESTIONNAIRE**

**DIRECTIONS:** Please respond briefly to the following questions and **return with your letter of interest and resume** to Lucy Payne at the Mahtomedi Public Schools, 1520 Mahtomedi Avenue, Mahtomedi, MN 55115 or [lucy.payne@isd832.net](mailto:lucy.payne@isd832.net) by due by noon on Monday, November 9, 2020.

1. Your Name: Dave Milbrandt
  
2. Why are you interested in serving on the Mahtomedi School Board?

Education of our children is one of the most important things we can do in our community. I would be honored to be part of a group of dedicated individuals looking at ways that we can optimize opportunities for our kids.

3. How have you been involved with this or other school districts and educational programs?  
Have you served on any other boards?

I have no experience on other school districts or educational programs.

I am currently the treasurer for Boy Scout Troop 433 in Mahtomedi, and have been active in the community coaching baseball.

I have been on boards related to Medicine. I am currently a board member, Councilor, and past president of the MN Chapter of the American College of Emergency Physicians. I have been a Board member of District Memorial Hospital in Forest Lake, MN and Fairview Lakes Hospital in Wyoming, MN. I continue to be a Board member of Fairview Range Hospital in Hibbing, MN

4. What experiences or talents can you bring to the Mahtomedi School Board?

I am an ER Physician and have been involved in physician leadership since completing my residency in emergency medicine at Hennepin County Medical Center in 1994. I have been the medical director of several of Fairview's emergency departments, the Vice President of Medical Affairs at Fairview Lakes Hospital, and currently serve as the Vice President of the Emergency Medicine Domain for M Health Fairview.

I have system responsibilities for all 11 of the emergency departments, and have been part of our system command center for Covid since March. Additionally, I am part of the testing committee to determine testing strategies for the system. I am also heavily involved in emergency preparedness for our system.

I am a practicing emergency physician and have been heavily immersed in all things Covid since March trying to keep our patients and staff as safe as possible, and I would have to believe that viewpoint would be helpful in assisting our school district navigate through this crisis.

I have been described as a thoughtful, collaborative, and solution-oriented leader. I have been able to work through big picture problems and break them down into smaller concepts that can more easily be accomplished. I am by nature a problem solver.

5. What do you believe are the most pressing issues facing the Mahtomedi Public Schools?

Covid Safety for students, staff, and parents.

Challenge of maintaining high quality distance learning with students and staff of different learning and teaching styles and preferences.

Maintaining and optimizing educational opportunities with declining resources.
