FROM: Scott Beveridge, Superintendent  
Southern Oregon Education Service District

RE: SOESD 2020-21 Local Service Plan

*According to ORS 334.175 (5) (b), an ESD Local Service Plan must:*

*"be approved on or before March 1 by resolution of two-thirds of the component school districts that are a part of the education service district and that have at least a majority of the pupils included in the average daily membership of the education service district, as determined by the reports of such school districts for the preceding year, enrolled in the schools of the school districts."*

SOESD presents the 2020-21 Local Service Plan (LSP) as a product of our collaboration with school districts to deliver services that are responsible to districts' needs, by providing flexibility in service choices, while maintaining service quality and stability, and leveraging regional advantages in cost effectiveness and increased opportunities for students.

SOESD takes very seriously our responsibility to provide a range of services that are responsive to your needs, high in quality, and affordably priced. We appreciate your consideration of Southern Oregon ESD's Local Service Plan and look forward to serving you in 2020-2021.

Thank you.
